In the United States and Canada five different times have been arranged by the railway companies. *Atlantic Time* is that of the 60th meridian. *Eastern* that of the 75th. *Central* that of the 90th. *Mountain* that of the 105th, and *Pacific* that of the 120th meridian west of Greenwich. But the boundaries actually in use do not follow the above meridians exactly. Europe has three time-systems: the *Western*, taking its time from Greenwich, the *Central*, or *Mid-European*, varying by one hour; and the *Oriental*, or *East-European*, varying by two hours. Australasia has adopted a Standard Zone time, ranging from 8 hours fast in Western Australia to 11½ hours fast in New Zealand.

## NOTES FROM 1920.

## MEMORANDA.

## MEMORANDA.

Thursday Jan. 27 - "preludes":  
 - & their wives "Ali Baba & the  
 forty thieves". It was very well  
 done and I found a number  
 of them which made it very  
 interesting. Capt. Selwyn  
 was a prominent member.  
 I certainly would like to meet  
 that man - just because he  
 asked to meet me, my father  
 & I came to see it!! - In  
 the play the actors had  
 blue & red & green & yellow  
 & I think the audience went to  
 the Princess for a few pieces.  
 I forgot to mention the blue  
 & red uniforms & gold lace  
 at the play - certainly  
 kept my head spinning!

## MEMORANDA.

Tues. March 8. I certainly felt as if I were walking in a dream tonight. First, Miss Martin, the awful, hideous Princess vampire, asked me to a dinner party next week to go with Major Bentler!! Next, I on a bet from Jan, asked Leslie Brown the white boy women must marry two weeks after their sick-ness!!! And he told me that a lot of other things just naturally & nicely! Then when the dream king came, got in the row boat with us and lastly when I kissed me, I was just sure I no longer trod the solid earth.

## MEMORANDA.

March 14. Buster brought me home & I discovered what I've never been able to understand about him - he's engaged! But he said he had fallen hard for me and that's why he didn't dance with me last Thursday - he was afraid. However I felt like a little devil and kept at him until he kissed me (it was not very hard!) and then I felt dermomed - sorry for him - men are so pitiful when you get them where you want them, right they. Tomorrow, Buster attracts me and I don't care if he is engaged - if he kisses me like he did tonight, he's looking to a merry future!

## MEMORANDA.

April 4 - When Frank & Elsie left us at the Dismal, Van & I went into the woods behind the statue of the dog in the Dismal & woods. There, as usual, we lay close in each other's arms, his ring. And as usual, Van kissed & leaned on top of me. But the great difference came one time when he was kissing me very hard - although I should not be able to stand the terrible ache & twitching that came over me in a certain place. If I do stop loving Van, I shall always remember that he was the first to make me do that. God! how I shall miss him. Good-bye Van?

## MEMORANDA.

May 9 - After supper at the V. W. C. A. with Aunt May & Mrs. Glaninger & lots of others. Went to the movies to see Daisy Fairbanks in "The Nut" with Lora, Stambis & Marjorie Johnson. Afterward in the car we went out to the frat. house & they talked to the boys. There drifted apart from each other interests, I guess for they seem pretty small to me. Each girl has a special boy who comes to see her every Sunday night & one or two other nights & he doesn't even kiss her. Perhaps that's the happiest way - not what they girls! I am uncertain what to think tonight - my brain is reeling.

## MEMORANDA.

May 10 - My dear dog has been at the farm since we came from Bermuda & she seemed quite content there until early Sunday morning when she disappeared!!! Poor Dad was a wreck - had the state police, etc. looking for her everywhere. And then on Tuesday morning she was found sitting on the Schuber's porch! She is so thin! Well says she saw us early in the morning trying to get in their gate! What she clever, after six months to remember her puppy had come & named. She must have wandered far in the miles from farm to town. <sup>and the</sup> <sup>and the</sup>

## MEMORANDA.

June 21 - I cannot understand Fred. Either he was trying very persistently to see - & every day or else - Mary has caught him in a trap. He certainly wrote wonderful letters of love, saying how he needed her & what joy when she seemed to need him. He was of Mary as a substitute - he said so there were no substitutes for him really. I said Mary visited him he said me and then he married her!! I wonder if she knew he was weak - for he is - and played her hand accordingly. Well, I am glad he is at least married and only hope it will be a successful one. <sup>and the</sup> <sup>and the</sup>

## MEMORANDA.

Sept. 10. Have I no heart, or do I crave too much love? I suppose I shall die with the question still unanswered. At all events - I don't seem to be able to work up much real love for my family. My mother I do not see often & do not know. But Dad & Mother I see too much. Mother is a slave to any one, she has more beauty than brains & the beauty is fast fading. She takes my advice which puts me above her - & where is the respect upon which love is dependent? alas, I have no respect for Dad who is in power of his devil, as time; does not try to overcome it but idles his life with others & wastes his. Oh, God!

## MEMORANDA.

Sept. 11. Phil and I have been having an argument these last few days. There is really no argument, only the fact we are cousins. We have tried to forget it - and he has kissed me as no one else his sister or cousin, but all the time it was there. And I wonder what would happen if it weren't there. You know, dear, I have always loved Phil and he says the same of me and, oh, I wish I knew what to believe. Anyway I'll never forget that walk - just the woods & us - as still & Phil's kisses. I would like to live like that forever.  
A. Love

JANUARY, 1921.

Saturday 1.

Got up with the intention of going  
in swim ring & so we went -  
after a bit of diplomacy. At the  
beach we met Mr. Platter & the  
Crolinses. We had lots of fun.  
He was with us & went in the  
water - once! I kept at the Platters  
for a cocktail on the way home.  
Mrs. Crolins reminds me of Ruth  
Maris. In the afternoon  
went to the post office & got  
a stack of Christmas presents  
but as the family was out I  
had to wait to open them.  
Then I went to the post office.  
Opened the boxes to find lovely  
sundresses from Aunt P. & cards  
from Phil with greetings to write,  
pamphlets from Fred with greetings.  
Aunt K wrote. Therefore Phil scores.

2nd after  
Christmas. Sunday 2

Went to the Warwick church where  
Mr. Harvey, rather eccentric, preached  
on the Cross & Jesus' friends! - we  
got so pleased with ourselves.  
Then we had a very successful  
dinner of roast & green, quince.  
Later Mother & I took a long  
walk, way up the beach. On  
the way home Vicki chased  
a chicken & caught it in  
her mouth!!! I beat her &  
beat her with the whip. She  
must not get those tricks.  
After supper Dad & I had a  
heated argument on keeping  
in allowances & I got mad &  
made up my mind to "escape".  
Since then little as can get for his  
money. Finished "Temple of Doom"  
by J. A. R. Wylie.

JANUARY, 1921.

Monday 3

Got up quite early + went  
with Mother + Miss  
Mayer on the ferry to  
the dockyards. We sat  
all three there + I kept  
them king how much Phil  
would have enjoyed explaining  
it all to me!!! On the boat  
coming to me we met a  
young man - Phil Whittaker  
who did not impress me  
terribly much. In the  
afternoon I read some  
magazines + took the  
excursion to some stores  
with me. In the evening  
I went to bed very early.  
Mrs. Hyppes brought some  
wonderful people to call. Ha, ha!

JANUARY, 1921.

Tuesday 4

Went to town in a hurry to  
get a cabbage - managed to  
get a little more - fly paper for  
an idea of using to get rid of  
ants - and then I caught  
the next boat back just in  
time to meet Kate + Bernice for  
a tennis engagement. But as  
the courts were wet, we went  
to the beach for a swim instead.  
In the afternoon I fixed  
the fly paper for the ants. Then  
I dressed + went with Mother  
off to the beach - did not  
know the person that called + came  
back to see Mrs. Gibson +  
met some nice people.  
After supper I had the  
clean-up all in my present-  
first time I had + it was a  
long time.

JANUARY, 1921.

Wednesday 5

Met Mrs. Reber at the  
ferry + walked with  
her over to the beach. We  
went in swimming +  
certainly did enjoy it. Vic  
is a splendid swimmer,  
+ lots of fun in the water  
when she doesn't claw  
us. In the afternoon  
I mended some clothes,  
getting a great load  
left by my mind. Then  
I took a walk,  
we met Mrs. Gibson  
who insisted that we  
come to tea - so we  
did + enjoyed it. After  
supper I wrote to  
Uncle R., Fred, Vic + Mrs.  
Hartman, + then played  
solitaire.

JANUARY, 1921.

Epiphany. Thursday 6

Had had an agreement to  
play tennis with Kate  
Bohmer but of course  
it is raining + so I fooled  
around the house cleaning  
up every thing in sight.  
In the afternoon I  
went to town between  
showers + took Vic  
with me + certainly I  
had my hands full. I  
never knew such wind-  
several times I thought  
the ferry was going down.  
After supper however, we  
all decided to go to the  
Princess dance + went  
to the ferry, not late for  
nearly an hour - it would  
not run - so we came home.

Friday 7

If you have not already taken advantage of the Insurance Coupon, do so to-day.

Raining again so I settled down to read but heard suddenly that the mail is to leave today so wrote to Oscar, Nell & Charlotte, finishing up my thank you letters & other notes, & to send to the P.O. with them & got caught in another shower. In the afternoon I did read - "The Impossible Mrs. Teller" by David Ogden and then took a walk with the cable puppy. After supper I finished my book, read the advertisement in a magazine & went to bed early - it is freezing.

JANUARY, 1921.

Saturday 8.

Called first Laura Lincoln & then Miss Bebee to go swimming with me - Laura had a model to pose! but Miss Bebee went with me & we certainly had fun. The Patters & the Leights were there. Billy is not proving every day in swimming. Elsie (Miss Bebee) came to dinner with me & everything was very nice. I went to tea at the Robinsons' - met Col. Byrd & Capt. Gage & their wives & Mrs. Goring. They were all playing very good tennis. At home, I found lots of letters, including two fine ones from Nell, telling me of Emily's excellent experiment with a cinerama! Great success!!!

JANUARY, 1921.

1st after  
Epiphany.

Sunday 9

Went over to the Cathedral  
and found nearly all of  
our friends had come  
highwire, but I believe I  
also the little churches over  
here better. In the after-  
noon I read "The Fifth  
Season" by Annie Steele -  
& wrote the rest of the  
family some, in morning  
I sat Mrs. Rightbourn  
with me, most  
likely to see what I had  
seen, to his store lately!  
After supper I wrote  
a long letter to. Well  
also, I wish she were  
here! and then as Mother  
was reading my book I played

JANUARY, 1921.

Monday 10

Paced around looking for a  
fish in vain, then Vic & I went  
over to the beach with Mrs.  
Gibson & had a quick cold  
plunge. Mrs. Gibson has a  
society here in her basement. In  
the afternoon Jan Robinson  
came over & we took a  
walk, & stopping to see Agnes'  
little house and then we re-  
turned to our home. We had  
lots of very good hot & pastries.  
Goodness! what we ate! & then  
we played piano & table  
respectively & had a gay time.  
Later I walked to the P.S. for a  
few minutes but it was  
closed & after supper Dad, Vic  
& I went again & again it  
was closed & they must be mad!

JANUARY, 1921.

Tuesday 11

Again. Had a terrible day.  
Went with Kate Brown &  
it is raining! (at 8 days?)  
so I read all morning  
till my eyes & head ached.  
This weather irritates me.  
In the afternoon I met  
Jean & took a walk with  
her & an little change - &  
we taught each other  
our native tongue! I  
like her immensely. I was  
sorry I had to leave! As I  
go to tea with Laura  
in eve. It was nice too  
& afterwards she & Mrs.  
Lewy waited for me with  
me & came in for a while.  
I got a pretty picture of  
Kate early today - dear girl.

JANUARY, 1921.

Wednesday 12

Attended to business & cracked a lot of  
nuts - literally - before setting  
down to finish my work.  
Then I got ready & went  
over to Miss Beebe's - on the  
way I stopped to pay a bill  
didn't have enough money!  
Stayed to lunch with  
the Beebes & had juice &  
a good meal. Mrs. Beebe  
is supposed to be sick but  
didn't see her. Mr. Beebe  
is a darling with  
white hair & Miss Perry is  
sort of a companion. Mrs. B.  
Miss Perry, Claire & I played  
bridge, & actually my first  
lesson. A Mrs. Pratt, new  
and called here - after supper  
I wrote a note to Kate.

JANUARY, 1921.

Thursday 13

Mother & I went to town to get  
new library books & forgot to  
take the old ones!! But we  
managed to wander a-  
round for quite a while,  
splashing money, of course.  
In the afternoon I went  
over to Fran's & we had  
a concert and also  
had tea and many con-  
fidences. She has been  
engaged, twice, but thinks  
English girls consider themselves  
engaged when kissed! After  
supper the family & I  
went to the Pina Colada.  
Jean was there. Had lots  
of fun & met some parties  
who I wonder why my old  
Pentecost didn't ask me to dance.

JANUARY, 1921.

Friday 14

Had a lesson in tennis  
from Kate Brown.  
She is very good & put  
me thru the 8 steps in  
good form. In the  
afternoon went  
to Jean & took a walk  
with her & her little  
change. We met our  
little "bean", Charles Big-  
low & flirted outrageously  
with him. He's five years  
old. Then we came home  
& had Agnes make us  
some tea. After supper  
I read Mary K. Pinchault's  
"The Afternoons" & got so  
nervous & I was afraid  
to go to bed in the dark!

JANUARY, 1921.

Saturday 15

Very successfully made some  
voluntary work - then walked to  
the beach with the family  
& played in the ocean which  
was rough & exciting with  
the lights. In the afternoon  
cooked & helped, and also  
made sandwiches & was  
not dressed when my  
guests began to arrive -  
Jean, Betty, Appleby, Kate Bon-  
ner, Elsie Reece & Laura  
Lincoln. It was quite a  
success and I enjoyed  
playing hostess. After sup-  
per the whole family went  
to the Hamilton dance on my  
accident. It was a most in-  
teresting Princess but we  
left early. Mr. Gray came in for  
himself, have him! was used.

JANUARY, 1921.

2nd after  
Epiphany. Sunday 16

It is a horrid rainy  
day so we cannot go  
to church. I finished one  
week again after lunch  
and then, terribly regretted,  
went to the kitchen &  
made soup & overs for  
dinner. In the afternoon  
I did not away time  
surprisingly fast and  
after supper arranged  
myself to drive over to  
the Princess concert  
with the oldest lightroom.  
After the concert, we had a  
reception in the girls & a  
lovely ride home. Today  
is Paul's 10th birthday  
& I feel awfully happy!

JANUARY, 1921.

Monday 17

Woke with the curse so  
spent a delightful  
morning in bed, dozing  
& thinking heads. In  
the afternoon I took Vic  
to town with me to buy  
her a ball - this is her  
birthday, one year old. I  
met Elaine Beebe with  
her sister who just came.  
"Hau" is darling & went  
shopping with me &  
then we went out to the  
Beebes for tea. I think  
me & I will be good  
friends. After supper I  
read a magazine - es-  
pecially an article on sailors' wives & then fixed my account.

JANUARY, 1921.

Tuesday 18

I dressed in record time & took  
train to meet Miss Beebe  
& go with us to a guild  
meeting where we served  
& listened to the great  
dances talk. Later I got  
a concerted letter from M.  
Mingay, a silly letter from  
Peter and a perfectly com-  
mon place, natural letter  
from Phil. Oh, dear! In  
the afternoon I walked  
with mother, Mrs. Good-  
will, & Mrs. Campbell to  
the club hall tea room for  
my good tea. Dr. Patton  
Smith was there & I would  
like to have spoken to him!  
Read "Saturday's Child" by  
Harrison Davies all evening.

JANUARY, 1921.

Wednesday 19

Rushed up to the store & they madly ground the potatoes while I made our first cake. It's for our picnic & really good!!  
Went down to find Jean & found only Kate & Karen. Later Jean went by & walked home with her. She told me about Capt Selwyn the governor's aide who wants to meet me. In the afternoon I went with Naomi - Claire Bessie out to the government house to sign a book as well as invited to the big affairs! The Gov is Sir John Willcocks. A.L.C.E. & F.A.!!! I wrote "The Day House is our address! Be Impudent! Had tea at Jean's door with Claire

JANUARY, 1921.

Thursday 20

This was the day set for our picnic but it is very cold & cloudy. We lit the little bonfire stove & all muddled around it, and I read most of the morning. In the afternoon I kept bed up & went walking with Jean & her charge. Then we went to Jean's house to tea and her uncle, Capt. Gray came in & insisted on walking home with us & came in here for quite a while. I do not like him & so that reason did not go to the dance at the Presses with Jean tonight. Read

Friday 21

Your name must be registered before any claim can be  
recognised under the Insurance Coupon.

Did my ordering & then met  
Kate Bonar for a tennis  
lesson. Jean watched yet  
I did not do so well as  
before. In the afternoon  
Cloise came over to play  
with Jean so Nan came  
over to talk to me while  
we watched the tennis.  
Later we managed to make  
them stop for tea. I served  
Mrs. Adair & Co., who is a  
scream & serves delicious  
tea. After supper Mother  
& I walked to the T.D. in  
the moonlight for the  
mail - heard from Nell &  
Mabel & Frances. Frances writing  
in agitation. Read until bedtime.

JANUARY, 1921.

Saturday 22

Before I was finished dress-  
ing Laura Lincoln called! And  
as soon as I did finish I  
met Nan & we went over  
to the beach for a great &  
glorious swim. Had  
dinner here, the two of  
us & wandered over to  
Hamilton finally to keep  
our tennis engagement  
with Laura, Cloise, Jean &  
Betty Appleby. On the way  
we met Harry, Dorothy  
Hoban, very attractive &  
had a walk with us before  
joining the others at tea!!!  
And I'm trying to reduce!  
All evening I read,  
stopping every now & then  
to think of the things I ought  
to have done!

Septu-

Sunday 23 °

Agnes has a sore foot & can't come!! M. & D. went to the hotel for breakfast but ate very little & passed in peace at home. Then I went alone to the Payson church & luckily met Beryl Robins. She was asked me to sit in her grandfather's pew - viz Reginald Gray's. Everyone from Miss Beebe to Harriet Paine was there. Good sermon, sort of "The Other Woman" afterwards I hurried to the beach for a swim, then went with the family across the bay to the Windsor for dinner, walked back in a row boat with three ladies to have tea with Laura & her son & go to see some baby goat. The Mrs. Andrews & Miss Paley were there, too. Typed accounts etc.

JANUARY, 1921.

Monday 24

Agnes has returned - rejoice! Went down to the Inverhore & talk to Jean for a minute & then walked over to the beach with Vic & had a wonderful old swim. We had a Sunday dinner of duck & apple sauce! In the afternoon I started to swim but suddenly decided to go to town. Saw Betty & spoke in the library, walked a block with Mrs. Birmingham & later met the Beebes. Got a letter from Kate, enclosing one from her "Joe" - quite loving but not the usual thing. After supper I made some delicious fudge and then read article on bad movies!

JANUARY, 1921.

Tuesday 25

Rushed around trying to catch an early ferry across the rough bay. Went to the Queen Mary's Guild where I found Nan + Heloise and stayed there all morning. Lady Will cox was there + spoke to Nan + me!! Went to the Bebees for dinner and afterward had a bridge lesson with Mrs. Bebe + Miss Perry + Nan. Later Heloise + Nan + I took a walk out to Fairland. Met Mr. Hornblaw an author after supper at home I tasted some orange marmalade + had a book on Bridge.

JANUARY, 1921.

Wednesday 26

After household duties I got to work on my hair - I have a severe head ache + think its from going so long without a hair wash!!! In the afternoon I couldn't decide to go bicycling with them or what - my dis contended as I painted "Rosemeath" on Mrs. Treadwell's gate for a box of candy and then went for a long walk with Mother + Vic! We ended up at Mrs. Holtwood's tea room + had a very good supper there. Later I went over to Jesus' where a bunch of us played "tag" music + danced. Missus Hobbins brought me home.

JANUARY, 1921.

Thursday 27

Went over to the Princess  
to watch the tennis tourna-  
ment. Walked out the street  
with Mr. Beebe and met Jay  
later. I did a lot of market-  
ing in a very short time - made  
them with some straw berries for  
matters. In the afternoon I  
checked the journal for not leaving  
my carrying ready & then forgot  
them when he pronounced them!  
For - I had met them & Dorothy  
Moran and three very nice  
young Americans at the tennis  
tournament. Mrs. Lee - very nice  
took us all to the tea dance  
at the Willow where we had  
caddles of fun after supper. Went  
with Aubrey Lightbourn to the  
play & were by the officers.

JANUARY, 1921.

Friday 28

It's absolutely pouring  
pitch forks. This place  
has the worst disagreeable  
weather. I stayed in bed  
most of the morning &  
foiled away the rest of  
it. In the afternoon I  
read "The Maxwell Theory"  
by Carolyn Wells. It is a  
detective thriller. I tried  
to leave it to speak with the  
family but returned soon.  
And then one of my friends  
says, Ed Driscoll, called up  
asking to come over to discuss  
a picnic. He came but it began  
to rain & he had to borrow an  
umbrella & ferry fare! Poor  
boy, so embarrassed!! I  
continued to read all evening.

JANUARY, 1921.

Saturday 29

just as I started out for the  
ferry I met Edward Briggs  
coming to return his borrow  
he walked down with me.  
I met Nan at the courts  
& watched the tennis till I  
simply had to leave to do  
my shopping. Met Dad &  
"used" him & met Jean &  
came home with us - poor  
thing has an abscess. In  
the afternoon Vicary & I  
again ventured forth. The  
time it rained but we met  
him & nudged thru the  
mud. Later Kate & Homer  
treated us to a very good  
tea at the Green Door. All over the  
beach there with new girls!!!  
Met a woman who raises  
hens - information. Read later.

JANUARY, 1921.

Sunday 30

Went to church at the Cath-  
edral - were late for that old  
damn ferry runs so queerly  
nowadays. Saw no one I  
knew in church. In the  
afternoon - after a fish  
dinner to make up for last  
week's luck! - Mrs. Gibson  
came over to suggest my  
getting Wilson Lightbourn to  
call on her so she could in-  
vite him to dinner with me!  
Later Nan came over & we  
took a long walk & gather-  
ed handfuls of narcissus. I  
told her I must be crazy about  
Phil & she told me wilder  
tales. I can't get Phil - at  
least - out of my mind today.  
Wrote to Beau & Kate after tea  
and read.

JANUARY, 1921.

Monday 31

Went to town with Dad  
& actually got a nice-  
looking pair of shoes!  
Then we walked out to  
the Princess court - saw  
Laphy & eggs playing - met  
Nan & went with her  
while she dressed & later  
met Elsie & Kate Brown.  
In the afternoon I  
unraveled Vicky ac-  
cording to what the same  
woman said & finally  
went to take tea with  
poor Jane who is most  
comfortable with a smiling  
face & also used to be.  
In the evening I tore up  
old letters & Mother & I wrote  
the Inverurie to mail some.

Tuesday 1

Family went shopping & I  
had a couple of dates! but  
I broke every thing & stayed  
home to mend some clothes.  
While thus employed I got a  
letter from Johnnie Mayford.  
It got me fidgeting all over,  
but not the same as it  
used to. In the afternoon  
I went over to watch  
the movement. stood  
with Mrs. Pease & Elsie.  
Afterward I met Nan &  
Dorothy Moran & the three  
boys & we went to tea at  
the green door & planned  
a picnic. After supper I  
tried to read "Honeycomb"  
by Dorothy Richardson but I'm  
getting a black & a black.

Wednesday 2

Went to the beach with  
the whole damn family  
& went in the water, but  
the it was a little  
freezing. In the afternoon  
Dorothy to the tennis match  
for the last time for today  
the cups are given. Then  
Dad & I walked down  
Main & met Mrs. Lee who  
took us to the Gossip Shop  
for ice cream. It's lots of fun  
vamping him! Then we  
met the three boys, Stewart  
& Dennis, John Hove & Cawley  
& we all went to us at the  
pula door with them! On  
the ferry a woman took my  
seat & let me stand! That  
was as in a time till almost time.

Thursday 3

I've got quite a cold so that  
I couldn't go swimming in the  
pool with the boys. But I did  
manage to take in a tennis  
lesson with Kate Bonner. In  
the afternoon I measured every-  
thing for a cake & then dressed  
& went over to us at the  
Willow. Dan treated me, Mrs.  
Lee, the boys & Miss Haron, a  
piece of ex-Pha. We danced  
& had lots of fun. M. Dan took  
me to the ferry later to go home.  
Then I dressed again and  
went to the Pines with the  
family. My card filled up  
in a second & I had a piece  
of a time & kept - we me!  
and to leave when it was  
half over to catch the damn ferry.

FEBRUARY, 1921.

Friday 4

I did my cake & got every-  
thing ready for the picnic.  
My & my friend (not Elmer)  
Driscoll, came for me &  
we had supper, then getting  
to the place - breakfast in the  
cottage on the way - & everything  
there at the beach. We met  
Mum & Dorothy Brown & the  
Horne & Stewart Powers. We  
went in, the ocean & then  
ate on the beach - yum! -  
then lounged around -  
smoked Elmer's pipe & some  
cigarettes. After Mr. Driscoll  
I came home & then took a  
wonderful canoe ride on  
the bay - like a pro. Certainly  
the end of a perfect day.  
John & Elmer leave tomorrow!!

FEBRUARY, 1921.

Saturday 5

It's pouring - so different  
from the glorious calm of yester-  
day. Nevertheless I had to go  
to town for our dinner - system  
and spent some time in  
the library. In the afternoon  
I went to town with Mum.  
We took my white car. It  
was Mrs. Wilson's general of  
20 carriages went past! The  
Gov. & the Admiral & all their  
aides went by, too. Then John  
& I walked home, stopping  
at the Locke Shell for tea.  
I wanted to treat her - but  
was short of money!! as  
usual! We talked "logs" a  
lot & after supper wrote to  
Phil! And I read "Opportunity"  
"Vanished Messenger" until 11:30

*Quinga-  
gosa.*

Sunday 6

Went to the *Quinga-gosa* church in Waverly to hear Dr. Henry T. Smith preach - 5th anniversary of the opening of the church. I was on every thing from free love to St. Francis letting loose caged birds. Walked home with Mrs. Campbell who told me of her brother in law dying tomorrow - a young fellow was around promising in the afternoon. I walked with her & Dick of course out to Spanish Point. It is much as we were used. Missed the ferry & had to wait ages, brother waiting for me! After supper & straightened accounts & wrote to Johnnie Mulford!

FEBRUARY, 1921.

Monday 7

Rushed over the country in search of vegetables, went to town & finally ended up at the Babas for lunch & the girls were there. They came finally. Afterwards we played bridge with Mrs. Beebe and I got in most successfully. Then we raced down town to get some more paper & make me a party dress - did it in less than an hour, a pretty black & white Pirette. Dad very kindly got a carriage to take me & Jean to the hospital to the dance. (We were intending to arrive!) It was lots of fun there & I slept pretty well. Pirette, Pirette, Pirette (very in small party) & Pirette

FEBRUARY, 1921.

Tuesday 8

Slowly arose & slowly dressed. Jean & her "best" dress in & went with me to return Mrs. Campbell's bicycle & then I went with them to Jean's. In the afternoon Nan came & we danced, actually, out to Warwick church on foot to see May Ward's wedding. Capt. Selwyn was best man but we didn't know the groom! Then we came home, got some money & went to Mrs. Asthodes to tea. After supper, Edna pressed & while the family went to the movies I went to the Hamilton to the dance alone! But was soon found by my friends - in fact, Buster Lightbourn & I got "married" with Jean's rings. Caught early home.

FEBRUARY, 1921.

<sup>Ash</sup> Wednesday. Wednesday 9

Got up at day break (?) & went to church with Mother. Capt. Selwyn passed us going home, foot sore & sleepy. Did some country marketing & then played tennis with Kate Baines. In the afternoon I washed some & packed before going to town with Jean. We met Elsie & Nan & did our shopping & then met Poor Elsie! who took us all to the Green Door to tea!! Coming home, Jean & I met Buster Lightbourn & giggled for ten minutes. Later came. Who is called apt. told me to the dance. Dance! Rather fun, as Buster or "Hubby" flirted nicely. (Last - don't know)

FEBRUARY, 1921.

Thursday 10

Wags came over & we walked miles for flowers. Then I sat on the fence waiting for Jean, but met Brewster first, & went to my apartment in great disorder. In the afternoon I went over to Jean's to tea & met Miss Hall & Miss Marsh & few other tennis players. Then I dropped to go with Brewster to Mrs. Gibbons' dinner party, of which we two were the only ones who finally appeared. I got rather sick of P. who has two brains & Mrs. G. is an old young fool & a cat. But later we went to the dance at the Princess & there I had a wonderful time. All my dances gone in a second & met Capt. Selwyn actually. Mrs. Campbell's mother.

FEBRUARY, 1921.

Friday 11

I don't believe I would ever have gotten up if Laura Lincoln had not called up & asked me to pose for her. So I went with her to her old deserted house & posed till I was blue in the face. She can not draw much better than I can! In the afternoon Egbert Driscoll dropped in for a few minutes on his way to a tennis game. He lectured me last night on smoking cigarettes - same old story! Then I went with mother & Mrs. Trudwell & Mrs. Campbell to the Green Room for tea. After supper at home I read "Marmadale" by A. F. Steel but got sleepy & retired early.

FEBRUARY, 1921.

Saturday, 12

Naturally it is raining because we were planning a picnic - about 20 girls so I don't care much. I mended clothes and did a number of things long neglected. The boat came without bringing me a letter & I am heart-broken. In the afternoon I walked with Jean & little Peggy & went to her room to see. She gave me some Oxford memoranda. After supper I really played my mandolin for a while & then still being restless I made some "sipping" juice.

FEBRUARY, 1921.

1st in Lent.  
Quadragesima.

Sunday 13

Wanted to go to see Dr. Van Dyke again but it looked too threatening. Mother & Dad went to church on this side but stayed home in a huff. I & I fooled around & read. In the afternoon I went to Laura's to pose again. While we were in the old deserted house, suddenly footsteps approached & scared us! Some one tried the door! & came in! But it was only Americans! I had tea with her later & met Mrs. Gaugier. On the way home I was "picket up" by a woman white very nice, who knows the Bellis & Dingley etc. Road all winter.

FEBRUARY, 1921.

Monday 14

Decided to have a bridge party so rushed all over Hamilton looking for Ed. Went to see + I found him at last and then I rushed home again. Got a note from Norman White who "picks me up" yesterday. In the afternoon Keith Campbell came + after while then we started to play bridge until Frank Goshing finally turned up to make the fourth Ed. Driscoll dropped in in time for tea + altogether we had rather a merry throng. I learned a little more about bridge + learned to "play" Marge on mandolins. sketched a "pretty lady" later.

FEBRUARY, 1921.

Tuesday 15

Went over to Sister Mary's guild and found myself there alone, with a few of the "elite" - Mrs. Payne, etc. Later, however, Elvise Beebe came but by that time I had gotten quite comfortable. Afterward we two did some shopping. In the afternoon, according to his note, Norman White came + we walked to south shore before I got courage enough to suggest the Willow. From there we rushed to the tea dance + on the way met Mrs. Van Kleef, very good looking + we all had tea together. I had every intention of going to the Hamilton dance but stayed home instead!

FEBRUARY, 1921.

Wednesday 16

got up early to make a  
lunch etc before going  
to the races with Keith  
Campbell. We drove out  
in great state, saw all  
my friends there & was  
glad they saw me -  
which is a good state-  
ment. Keith is really  
my vice & we had  
lots of fun, especially  
when we sat on a hill  
side overlooking the  
ocean & ate our picnic  
lunches. It was a  
perfect day. After getting  
home I received the note  
a ball & Norma White & "Vai"  
joined me. Later I went to the  
Inverurie dance with "Norm".  
The lightnings were there. Fun.

Inverurie ferry ran to the Princess  
for us all at twelve - fine!

FEBRUARY, 1921.

Thursday 17

got up reluctantly to  
go to the beach with  
the two Inverurie boys -  
Norm & Van. Norm & I  
went in the water & had  
a great old swim. I like  
Van, much better, tho.  
In the afternoon I was  
supposed to go to tea  
with those two & Jean &  
Noble who was in Miami  
& whom I hate - so I  
didn't go, went to Jean's &  
to write Frank for his & Ed  
but I is well, after Jean &  
I had a letter. Went with  
the family to dine at Princess  
with Mrs. Lily Beall & Miss  
Krosch & left the table early so  
as not to miss any dances.  
"One dance & one man"

FEBRUARY, 1921.

Friday 18

Started early off to town & met Van on his way there too so we combined forces on the top of the ferry. Mrs. Gibson was up there, too. Van & I then we met Van & they were both good enough to wander around with me, shopping. Van came in for a while when we got home. In the afternoon I tried in vain to get a bike, missed Jean & had to walk all the way to Elsie Gossing's to a tennis set. It was worth it, too & I came home with the bike & Jean's bike. After supper I walked out with Norm & Van to get Van & then we played bridge here in the bar house. Price

FEBRUARY, 1921.

Saturday 19

Soled around & went to town to market and in the afternoon went over again this time to meet Keith who wanted to play bridge, we got Van & asked Frank for a game but never did meet him!! so we came over to this side & had tea at the Envermore with Norm & Van. I bought a cedar cane today!! After supper I went over to the Hamilton dance, alone but met Raymond Smith for the first dance luck. Had lots of fun, flirted with Buster. While bunch of us came home in ferry together.

FEBRUARY, 1921.

<sup>2nd in</sup>  
<sup>Lept.</sup> Sunday 20

Started out to church alone, but met Van as I had expected. We sat together during service, over tried his darndest to make us laugh - we did too, when some banners were announced! Then Van & I met Sam, Horan, & little and Elizabeth Carnay at Elba Beach, and had a picnic - unfortunately it rained but we had a gay time. Liz. left us & we went to my house - meeting Anita & Bryson Shildon the way. They joined us & we had an "orchestra" at home. Later the boys all came back again & did many tricks but I was dead with sleep.

FEBRUARY, 1921.

Monday 21

I'm a wreck, utterly! so I stayed in bed all morning & woke up off & on to think what awful mess bags men are. In the afternoon, however, Hank & I went sailing with two of the nicest - Norm & Van. It was a perfect day on the water & we glided along like magic. I "tiller" all the way home, some little skipper eh? Then Hank & I got dressed at my house & went to dinner at the Inn with the boys. Lots of fun. Afterward we played bridge then & later rowed down some

FEBRUARY, 1921.

Tuesday 22<sup>o</sup>

Got up early (?) to go over  
to the boat to say good-  
bye to Mom. Certainly was  
sorry to see him go. Except  
Dissell went too - too bad.  
Then I rushed on and at-  
tended the quilt meeting -  
was the only "child" this  
time. In the afternoon I  
went over to Mom's with  
Jan & play bridge. Keith  
& Frank were there too.  
Jan getting better, only I  
insist on "resting" instead  
of bidding! After supper Jan  
& I went to the movies!!! Saw  
the Lee in "Crane of the Naked  
Killer". Then we picked up at  
the train station black & white ball  
& which we decided not to go.

FEBRUARY, 1921.

Wednesday 23

Packed my household  
arrangements and went  
over to Laura Lincoln to  
pose for the last time.  
Then I rushed over to  
Jan's and she invited  
back with me. In the  
afternoon Janet Jan &  
we went to Anna's go-  
ing to tea. Anna & Maria  
are darling but not at all  
wild and as Jan & I had  
been talking "very wild" all  
day - it was rather dull. In  
the evening we were going to  
have a wild party, that Mrs.  
Robinson went with us! - to  
the beach in the moonlight,  
about a dozen boys & girls. Just  
with Rusty that that diplomat

FEBRUARY, 1921.

Thursday 24

Up late as usual +  
they needed around to  
find Fay - he came +  
posed for me to do  
an "arrow collar" out  
of him but somehow  
I couldn't make it good-  
looking enough. In the  
afternoon he + I  
went over to town,  
called on Roper in his  
store and then went  
to the Green Door to see  
an awful storm came  
up + kept up there quite  
a while. It was so bad  
a night to go to the dance  
dark as we saw Wal Reid  
in "Man from General Range" at the  
Inverville Hotel. We sat in a corner  
alone together - that day does thrill me.

FEBRUARY, 1921.

Friday 25

Vic + I went to town +  
did quite a little mar-  
keting. But Van over  
there + he came back  
with us. In the after-  
noon I did a cake,  
made some fudge +  
some caramels. Also  
washed my hair + cut  
on the back fence to  
dry it in the sun. Then  
I tried to straighten  
out my accounts - being  
a social butterfly + house-  
keeper doesn't work well.  
After supper I am + Frank  
+ Elsie going came to  
play bridge. Frank is a  
hot player but it be used  
food, too + played till 11:30.

Letter from Phil!!  
FEBRUARY, 1921.

Saturday 26

Got up very late & still  
later Van came over to  
dinner, after I had had a  
session with Mr. Fritz &  
my bills. In the after-  
noon we went over  
to Jan's and had some  
supper and lots of  
chatting and tea. Then  
I went home & saw the  
family off to dine with  
the Steinmans from whom  
we are here. Later I went to  
the Hamilton Hotel alone  
with Van. There I met  
many Ernestine's old friends  
whom I used to know in  
Black Haven. Dined most  
with Van, who's a dear. Ruth  
came home on the ferry with us.

FEBRUARY, 1921.

3rd in  
Lent. Sunday 27

Got up reluctantly because  
I didn't want to go to  
church. However, I called up  
Van & went up with her to  
the Cathedral - sitting be-  
side Ruth! When I got  
home I found Jan - whom  
I'd invited to come to  
dinner. We talked of  
bad things and after  
dinner I started back to the  
house. Just Van, to go  
& I took a long walk  
over to the airport  
where along the hills.  
We got in on the way  
back, too. He's a nice  
play mate. In the evening  
I wrote to Aunt Laura &  
to Peter (singing the mocking-bird's  
note - Peter - Peter - Peter - Peter).

FEBRUARY, 1921.

Monday 28

I stayed at home & became very domestic, mending & directing my household. In the afternoon I went over to the second tennis tournament at the Princess to meet Betty Appleby there. She had asked me to tea at her house but it suddenly began to pour and a bunch of us, including Jan & Kate Bond, had tea at the Princess. Got soaked coming home. Van & I were supposed to go to Jan's but it rained. I didn't care much as I couldn't go - damn that fellow can

MARCH, 1921.

St. David's Day

Tuesday 1

Hurled over to the guild and was much surprised to see Elsie start in later. In the afternoon Van & I met Ned & Ruth at the low-rament & they we played bridge at the Princess - Ruth & I won. Then Ruth treated us to tea. Rudolf Nees, Hans Bratton's son, joined us. It cleared up later enough for Van & me to go to the Hamilton dance which was lots of fun - I drank a whiskey & had a dance from Lesie - and nothing happened! Dudley was supposed to meet us in a row boat & didn't so we had a lovely drive home in a carriage.

MARCH, 1921.

Wednesday 2

Nan + I went to the beach for a swim. It was just as usual. In the afternoon I did a little marketing & then went out to the farmyard. Met Van + Frank there & we sat on a rug & watched till tea time & then Frank invited us to the green room, to which I'm always delighted to go. Then I went home & dressed to have dinner with Van at the inn where, Nan + Keith too, there was a dance. I danced once with Boyd Robinson & danced up as a ball. Keith was there & made me mad in his act of attention.

MARCH, 1921.

Thursday 3

Nan + I were going down on Sunday but decided it was too cold. She got here before I was dressed and I'm finally finished. We walked over to Jean's & met Van on the way so he went with us. In the afternoon - Nan stayed in the kitchen - we three went to watch the tennis match & met Keith & Lois there. We were all feeling rather under the weather but spruced up wonderfully for the Prince's dance. I went with the family to have dinner with the + Jim man's before the dance - great! Best yet, I think. Dressed alone with Nan.

MARCH, 1921.

Friday 4

slept all morning - I am  
just a total wreck - & then  
it was raining & there  
was nothing else to  
do. In the afternoon  
Van & Keith & I went  
Mrs. Cam & bells to  
play bridge & we certainly  
did have some  
good playing. We had  
tea there too. After  
supper Van & I were  
to meet Max & Keith to  
go to Max's & we sat on  
a wall for hours in the  
dark. Then we met every-  
body & we all went to Mr.  
Gray's lovely big house &  
danced - Fred & Dorothy  
& everyone was there - More fun!

MARCH, 1921.

Saturday 5

Went to town to shop &  
strolled out to see the  
tunnies. In the afternoon  
Van & I went over to  
see the finish of the  
tournament and  
afterwards to play bridge  
with Keith & Max.  
Frank came, too, & sat  
in on Van. Later after  
Keith & I won everything  
we had tea & Rudolph  
Meiser, Max's brother-in-law, in-  
vited himself to it. He  
is the worst old pest.  
In the evening I stayed  
home & went to  
bed early so as to rise  
early Tom arrow wrote  
in this book & fixed memory book  
first.

But Van a tea party if would  
rain - MARCH, 1921.  
~~it did - not!~~

<sup>4th in</sup>  
<sup>Leah.</sup> Sunday 6  
got up early & went to  
church before breakfast.  
Van went with me. Then  
I came home & made  
hundreds of sand wicks  
before Van came to take  
me down to meet the  
lightowers in a boat  
at 11 in a picnic. Van,  
and the lighters were there  
too & the light of us  
had a good picnic.  
We went to Barrell's  
to eat and then took a  
rail way out in the ocean.  
We all lay around on  
top of the cabin and played  
indulging & told jokes.  
We all met again at the  
Picnic concert. Passed 2 hours  
about 20 minutes.

MARCH, 1921.

Monday 7  
Went to market & Van  
as usual, carried my  
basket & offered useful  
suggestions - the grocery  
store is where he saw me the  
first day he arrived. In  
the afternoon I met  
Jean & little Peggy &  
we took a long walk  
talking & discussing  
sex and came back to  
the inn. Time  
to have tea with Van  
boat with one eye on the  
ferry for Buster but he  
didn't come! In the  
evening Frank & Claire &  
Van came up here to  
play bridge. We had  
Cass & Lemnade & played  
one rubber for 2 1/2 hours.

MARCH, 1921.

Tuesday 8

Went over to the Guild  
as usual & worked as  
usual. But with  
Van on the way home  
they suggested a rais-  
ing party for the after-  
noon. Naturally agree-  
ing - Jean, Nan & I went  
with them and had  
a play of a time. I  
rough-housed with Keith  
as usual & he just about  
killed my wrist. After  
supper Van & I went to  
the Hamilton dance - fun!  
and on the way home  
after rowing across with a drum.  
Van put his arms around me &  
kissed me. I knew he would  
soon & I liked it. I felt queer  
(see memo) all the way.

MARCH, 1921.

Wednesday 9

Jean & I went to town &  
told each other our usual  
jokes. Dale! In the afternoon  
we again crossed, this  
time to go to the Bazaar  
given by "Society" for the hospi-  
tal. I first sold flowers &  
then Jean & I waited on a  
tea table. Van & Keith came  
to it & treated us with treats.  
In the evening we all  
went to the Delmar dance.  
Van kissed me between one  
dance. Buster almost did the  
next time and Keith actually  
proposed & tried to kiss me  
after the next! Some evening!  
I'm not sure if Keith was joking  
any way, I don't like him. Van  
& Dale very popular at these  
dances.

MARCH, 1921.

Thursday 10

Van + I went over to the beach and lay down in the sand in our bathing suits. May came out and her friends were there but nothing of us were very cordial. In the afternoon Van + I met Keith +, getting our directions from Russ to walk out to Hap by Valley to see forward play tennis. Met Aubrey on the way and met Jean, Betty, Elsie + Frank at home. Just thrilling when Van, Van + I went to dine with Keith at the Princess - great - + to the dance afterward. Spent one mistaken dance hiding in the bathroom! - spent a whole evening! Let Van kiss me.

MARCH, 1921.

Friday 11

Keith came over + met Van + I + kept for me + we all went to the beach. Keith, poor dear, couldn't go in because of his back but he was well entertained by Jean. In the afternoon Van + I went all over town looking for a car home for me to make - in vain. Then we went to Harro's - she had a car for 500.00 + kept + all friends + Keith worth. Very nice. Went to Jean's uncle's in the evening to a very nice dance like last week. Got Frank excited and sat on wall with Van for a long time, kissing.

MARCH, 1921.

Saturday 12

Nan came over & she & Van & Jean & I went over to the beach for a swim. Elsie & Gertie went in with us too. Nan stayed to dinner and afterwards the dear angel helped me to make, to an orchard, etc. for the tea party which I gave to pay off my debt with Van! Nan, Jean, Elsie, Nan's friends, Johnnie & Helen, and Gertie, Van, Frank & Peter came & it was a great success. We had lots of music & good food.

In the evening Van, Gertie, Mrs. Campbell & I played bridge in the Severnside sun parlor till 12!! too tired even to say good night to Van.

MARCH, 1921.

<sup>5th in</sup> Sunday 13

Van & I left for me to go to church. We met Jean there & sat with her. I almost disgraced myself smiling at Peter. Afterwards we all sat at Jean's on the way home. Van came here to dinner. Then we met Gertie and had a nice gossip with her. When we should have gone to the Belmont with the lightbourns, Van & Nan & the Truffs. We finally decided on the latter & then had an awful fight as to a sugar water when he ruined and lost. After we all went to the Severnside concert and Van & I came home early & had our little time in the Severnside grounds.

MARCH, 1921.

Monday 14

Got up at day break, literally and went sailing with Van - out to meet the St. Victoria on which his mother & aunt arrived, and we had a jolly good time. Later, Jean paid me an evil-minded visit. In the afternoon I robed aimlessly around town looking for Nan & her friends & trying to find a costume. But neither Buster who made me mad by his allusions to Van. Later however I went with Buster to the Princess in formal dance. Ruth made one to me, prevented us from going home at the right time which infuriated Dad, and also he got carried when we went to the grill - but - see mem.

MARCH, 1921.

Tuesday 15

Went over to the Guild sewing circle, and on my way I saw the old boat I pulled out with Ruth on it - good-bye, you funny man. After work I went up to the Hamilton to have luncheon with Sam & Mrs. Mac. Appleton. We sat together & talked for a long time and I really like her very much. In the afternoon I went over to Jean's & a tennis tea, of which I missed only the tea. And in the evening the goofing & Jean & I went down to the swimming to play bridge with Van. Van & I had a party later before to day.

Wednesday 16

Pricked over to town to shop before the stores closed for the races. Mother & I are working hard on my costume. Took part of it down to the tennis courts where Jean Van & the light bawlers were playing. In the afternoon, Jean, Jean, Edith Smith, the light bawlers & Van & I went to the beach. Buster & I went in swimming - great! We ate supper over there & started home before dark but displeased the family who missed the boys. Nevertheless we all went down to the dinnerware to dance. Buster told me "naughty" jokes & I said "à la de bawle". I like the swimming to do like Van.

St. Patrick's Day

Thursday 17

got the curse too soon - too much "moocking" lately. I guess - so avoid much cursing. Stayed at home & made a hat for tonight & got every thing ready. In the afternoon the whole family dressed to go to the Governor's garden party and then it rained & we didn't go. I slept instead. Later I dressed as little Miss Muffet and went to Jolyn's. To Stafford's dinner party - sat between Van (Boy Blue) & Buster (Charlie Chaplin) - as usual! There were twelve at the party - lots of fun, especially the fancy dress dance after word also at the Pina Colada. Danced till 1:15! Van & I drove home with Mr. Gray.

Friday 18

Stayed in bed all morning sleeping most of the time. In the afternoon I made major-  
waine, etc. for a picnic and visited poor Vicky who is still tied up in the neighbor's chicken coop. Soon Van came + we started out for the beach - we sat there all alone quite a while before the others came. Then we had our supper there - close chaperoning - the three lightweights, Nam, Johnnie + Helen + Josephine Hooper. Later they rode + Van + I walked to the grove, where we danced. John, Leslie + the 4 to. 11:30. then came there. 11:30.

Saturday 19

Hurried over to say good-bye to Johnnie Stafford + Helen Atsworth. Somehow it didn't affect me as when the boat sailed off with Tom + Egbert + single + strange. Then I did a little marketing and came over to go to luncheon with John. We had to hurry that we could catch the tug for the dock yards, where the naval officers + men were having sports. We met "simply" an officer friend of John's who took us to the officers' stand and we had lots of fun watching the antics. But we missed the boat + didn't get home till 8:30!! + I didn't get to bed!!! Actually went to bed earlier.

<sup>Palm</sup>  
<sup>Sunday</sup> Sunday 20

started to church with the family but they went too slow so I went on alone. Walked home with Jean & Van. Buster wasn't in church. In the afternoon I went calling with Van & his mother & aunt. It was a perfect day for it and I enjoyed every minute - especially when Van kissed me when everyone was looking the other way! We got stuck on a red once! After supper Jean & I wanted to go to the Prince's concert but as no one could take us each stayed at home.

MARCH, 1921.

Monday 21

got a mending list - mailed my red high with things to be done and finally cleared it. In the afternoon Van & I went to town & I did lots of shopping we met Van & Persimmon, Jaffee and persuaded them to go to the cathedral with us - also, Elsie & Betty. But, alas, there was no church. I kept at Buster's word made jokes about Van & me going to the church! It is too bad I'm not crazy about Van, every one expects me to be. Stayed home later!! Read "Fourth Discursion" by Horace W. Tuesday 22

Was, due at the Women's  
guild but got in a sail  
boat with Boris & my son  
to come across & sailed  
around first watching the  
Victoria leave. At the  
guild the old ladies dis-  
covered my friends! In  
the afternoon Van, Jean &  
I rode 2 bicycles to the  
golfing & play bridge.  
After tea Betty Appleby & I  
went to Paget church & then  
back again to play more  
bridge. Saw Glouk that  
game! After supper Van &  
I went down to Jean's &  
we three played bridge.  
On the way home Van & I  
wanted to stop - moon so bright  
- don't it all!

Wednesday 23

Hélène called me up  
before I was awake, ask-  
ing me to spend the day  
with her, which I did.  
Nan was at there so  
we had a pleasant  
time sewing. I made a  
silk waist with the  
help of Hélène. Hélène left  
but still I stayed, sewing.  
Later Mary & her mother  
& grandmother called and I  
received them!! Finally I  
left & rushed over to  
Paget church. Sat with  
Anne & Joan who walked  
home with me. Later went  
down to the Durumie dance  
& watched! Was consoled  
however, by Van & by Buster.

Thursday 24

Went to town and did my household shopping in a bus the, leaving all my bundles at Buster's store while I met Mary Engstrom & went to the Cathedral service with her. Buster came over on the boat with us & Mary Eng. came here to have lunch with me. I did her portrait & it got quite good. Then she & I went over to the Willows & tea with her. quite a party, including Royal & travel, artist, who finally saw "it" & pronounced it good. After supper Sam & I saw D. film in "Hugget Hall" at the Esplanade - then had a nice little party in the back corner.

MARCH, 1921.

Good Friday. Friday 25

Tooled around with Vickey, etc. until time to go to the Cathedral at twelve. Met Frank there, so I'd promised to get with him during the whole three-hour service. It was a very good service but I did not do it as well as the ones at home. And Canon Marriott talked more of our sins than Christ's agony. Came home to dinner & to sleep in the afternoon until Jack called up & we took a walk & talked very un-Christianly. Later, however, wrote a very good Mr. Rev. Mr. Rev.

Saturday 26

Went to Paget Church  
with Jennie & Elsie to  
devote for Easter. By the  
way we wandered thru  
the marshes near the  
church. It was like a  
jungle & very interesting.  
In the afternoon I went  
to town to shop & met  
Van. We stopt in Buden's  
store but B. seemed very  
cool towards us - why?  
Then we had tea at the  
quarry door, came over first  
in the woods back of this  
house we had a little party.  
Our little parties are just matters  
of hugs & kisses. It's kind of  
silly, tho. We brought Jennie  
over later to play bridge & Van

<sup>Easter</sup>  
<sup>Sunday</sup> Sunday 27

Got up at day break(?) &  
went to the Holy Eucharist  
with Jean. Lovely service.  
Came all the way back  
again - to Paget - to the morn-  
ing service with the family.  
Walter home with Val,  
who later came to have  
Easter dinner with us.  
Afterward it was kind  
of rainy & we didn't know  
what to do so we went to  
the south shore & lounged in  
the rocks - & loved each other  
very much. Says he loves me  
& wants to marry me!! I only  
seem to like him when he's making  
love. Later we met the right of  
cousins & Nan at the Princess  
concert which was very good.

<sup>Easter Monday</sup> Monday 28  
Just is over, rain for a  
good time! Van & I went  
over to the beach for a great  
old swim. In the afternoon  
we two walked all the  
way out to Happy Valley  
to watch Jean play in the  
tennis tournament. Frank  
& Eloil & Betty were there &  
we all "treat" Van's treat.  
In the evening Van & I  
went over to the Princess  
dance. There were hundreds  
of college boys on a vacation  
& Van's friends from the  
much better life & Mary Emma  
& Jo Harper & the lighted up but  
I didn't seem to be popular & Van  
& I came home early & went in  
the woods behind the "dog" & enjoyed  
ourselves. Van mustn't get too passionate.

MARCH, 1921.

Tuesday 29  
Saw the boat pull out with  
Jo Harper & the Appalton. I  
was without regret? Went  
to the guild with Heloise!!!  
Jean met us after ward  
& we finally succeeded in  
shaking Heloise - and in  
such a halcyon. In the after-  
noon Jean came over to  
see & Van came about  
the time. We found the ropes  
flood in the woods last night.  
After supper we got to the  
& I went to the Harrison  
dance - I enjoyed it much  
more than last night, although  
there weren't nearly as many  
boys. Poor dear Van got sick,  
too, for a little while. However, we  
ended bravely by driving home in  
the carrier motor boat <sup>which is</sup> ~~mine~~.

Wednesday 30

Slept rather late as it is too cold to go on our intended picnic - instead Nan asked us - Kenneth, Van + me to come over there in the afternoon to play bridge. We had a splendid game - Kenneth & I winning and also we had good food - Nan always has good eats.

Those two were coming over to the evening to dance but didn't, so that I was the only girl - with Van + the three lightbears. Had a jolly evening and afterwards Van + I went in the woods.

MARCH, 1921.

Thursday 31

Ricky was let loose today and is nearly wild with joy. Van was darling about her. He + I walked up to Happy Valley to see Jean get seated. In the afternoon we went to town to do a little marketing & then hurried back to arrive at Mrs. Aswood's which means we went to the woods in quest. We have kind of a little nest there. First however, we went in my empty house & lay on my bed for a while!! Later we went to the Prince's dance - danced every other dance with Van!! Lots of fun.

APRIL, 1921.

Friday 1

Made some sandwiches  
+ eggs, etc. which Van +  
Vicky + I took with  
us to Happy Valley where  
we fairly fully appreciated  
our friends play day. Then  
John + Cole + Gus had  
a picnic lunch - I am  
ashamed Mr. + Mrs. Lloyd  
Jouls to share this with  
went sure too! Later  
Van + I had a milk  
shake in town and  
still later we were finally  
filled up when I  
+ Frank + I had dinner  
with Van at the residence  
if as word we played bridge  
+ after that Van + I dis-  
appeared into the woods for a while.

APRIL, 1921.

Saturday

I got terribly arm itches  
+ washed Vicky + then  
my hair. Van came up  
+ sat in the sun with  
me while I dried it.  
In the afternoon he  
+ Vicky + I went to the  
finals out at Happy  
Valley and, I am going  
to play but Vicky + I am  
won the doubles. Great  
excitement. He and  
I were as ward after  
supper Van + I went  
back to the Hamilton  
house - we found a dark  
balcony + had a lovely time  
and then - late for Busby's  
dance + he was mad!!  
Caught in rain by way home -  
Dad with us.

Low  
Sunday. Sunday 3

Jan + I started out + met  
Francis + Nan + Kenneth +  
Gertrude Blount and went  
to Great Bay. It is lovely  
there. Jan, Francis + I  
walked to Elba Beach  
to get my suit, and then  
I went in with Nan + Kenneth  
soon Elsie, Jan + Leslie  
joined us + in a little  
grassy woods. We ate  
our lunch - very good.  
Vicky was with us + we  
traveled very well. We all  
played bridge in the  
afternoon, then  
kiss around, looking over  
the sea, singing + smoking.  
All of us went to the Princesses, but  
the girls went out + no place to go!

APRIL, 1921

Monday 4

Went over to town to  
market + met Jan on  
the ferry. He is all jacket.  
Later he came to dinner  
with us and after ward I  
drew quite a good sketch  
of him - after it was at  
last. Then we went  
up in the woods to tea +  
lay there in each other's  
arms regardless of every-  
thing. I think I really  
love Jan - he is darling +  
so good-looking + very de-  
licious. After supper we  
went over to the Princesses  
for a last dance together.  
Jan, Nan, Francis + Francis +  
Elsie were there. The ladies too  
dressed so nicely in their evening  
gown.

Very long day.

Tuesday 5

got up early & went over  
to say good-bye to Van. He  
looked darling in his city  
clothes - We, each nearly  
choked when we said good-  
bye in front of every one. God,  
the sorry old guy. However  
while he was still in sight I  
accepted Buster's invite for to-  
night. Then Nan & I went to  
the Guild meeting. In the  
afternoon Nan & I met  
Jean at the Paget church  
Pagers - had tea & then  
took a walk - gossiping  
after supper. Buster took  
me to the East Humber  
dance, which I actually en-  
joyed, told me dirty jokes &  
tried to kiss me while I hung  
to the threshold. Van knew to -

Wednesday 6

woke up with a weight  
all over me - Van is gone.  
Had a nice little cry about it.  
Gules in rest the clever little  
flirt I thought I was! Was  
going on a picnic with Nan,  
Trudy Blount & Kenneth & a  
white cap but sacked the  
pup & kept the ball rolling.  
Stap & with Nan instead  
& went to see abuse &  
uncheon. Darn pup was.  
However, we not just  
Kenneth & used a swim  
at Elox beach and a nice  
walk & talk with Nan.  
Told us what about Van  
was - gee, I hate to part  
with! & Taged us instead of  
going to tomorrow's dance with Nan.  
(Cautious!!)

Thursday 7

Jean came over + we  
cut out shirt waist.  
After she left I continued  
to sew with renewed  
energy. In the afternoon  
quite late I went to town  
and did a little shopping,  
feeling very lonely  
+ blue without my dear  
Van. So I dropped into the  
sport shop + Aubrey took  
me to get a matted quilt.  
After supper I went over  
to the Princess with  
Buster - it was a great  
old dance and lasted  
all almost one. B. + I  
drove home in a carriage  
+ I let him kiss me. There  
is a damn fool + a great  
pretender. I wanted Van.

APRIL, 1921.

Friday 8

~~I~~ stayed at home + mended  
my clothes. In the  
afternoon I socialized  
around, until time to  
dress to go out. I was  
with Mother + Vicki to  
Mrs. Robin Davis tea.  
We were the carriers of  
Miss Pakenham, and  
really didn't enjoy it. I  
washed people. Home  
again up with my cup  
of tea, but you had  
for me. I went  
went out to the last  
Hamilton dance. I  
rather Aubrey took me  
over + B. really let me down.  
Into a nice dance + lots of  
B's worried / class.

Saturday 9

Went over to Elbe beach with only Vicki Van and talked over the sand with the Crinoids - just like old times before society caught me. In the afternoon I went to town to market & was waiting for the ferry when a lady offered to drive me home!! I jumped at the chance. Then I went to see Wyckoff's house to tea - the boys girls were there and Harriet Payne who seemed nice. In the evening I went over to the Prince's with Kenneth & Joe and we stop for tea. We danced & then went in the gull for wild rabbit.

Happy birthday, Nan!

APRIL, 1921.

<sup>2nd after</sup> Sunday 10

Went to early church in Paget, made two dozen sand wicks & then ready to drop. I walked all the way to frappe (not just) meeting Kenneth & Joe Wyckoff on the way. Went in for morning tea & met Nan, Gertrude, the Siglettours, Jean & the three girls. We had a very good lunch, played bridge, went in the sea again & then had tea & brought a bottle of champagne with which we drank many toasts. Took hours to stroll home. Started letter to Jan but had to hurry off to Prince's concert with Brester, Gurney & Nan. Just before nine. But I did some talking.

Came home from dance in rain -  
first rain for six or seven weeks.  
APRIL, 1921.

Monday 11

Had arranged to go swimming with Kenneth, but the "silly ass" had to do something else. So I spent the morning writing a nice long letter to my dear Van. In the afternoon I stayed patiently at home mending clothes + mending ribbons in under wear until finally the post man brought me two splendid letters from Van - he is a dear. Then I took a little walk with Mother to calm my spirit before finishing the letter to him. After supper I went over to the Grinches to dance with them. Geo Eyr was there + also Mrs. H. Cartmell, G. + J. Hise.

APRIL, 1921.

Tuesday 12

Went over to see Wychoff + Kenneth + lots of others. Sail had to pinch myself to realize that Van left only a week ago. Did not go to the guild after ward as I intended but remained around with Jean + Alice Hutchings who treated us to an ice cream cone. In the afternoon I got to two wonderful letters from Van + had work on my wrists and nearly ruined them, trying to cut them out when my head was aching like a brass drum. Kept at it, however, after supper I played bridge all by myself and started to read "The Seductions" by G.E.W. Mason.

Thursday 14

Thursday 14 "Sara" (\*  
Had been expecting Sara (\*  
and was very pleased when  
she didn't come - not  
knowing what to do I  
stayed at home & did nothing  
in the afternoon Rev  
called up asking me to  
go for a sail - naturally  
I did not refuse. His  
sister, Mrs. Miller & a Dr.  
child & Mr. Capon went  
with us. We got wet -  
had fun. Had tea at 9 near  
doors after we do. Kate had  
taken me to the friends - spent  
a dance to sit out with her  
and also went down to the pool  
to be raised "amitically" by  
my dear Bessie! Dined with  
Mr. & Mrs. Manning & then  
came with them in evening.

APRIL, 1921.

Friday 15

Did a few household duties and a little machine sewing then took some handwork over to Jean's & had a little chat with her. In the afternoon I went over to town paid quite a visit to the sports shop talking to Aubrey & Buster and then along at some going home which I promised to take out to the Reeves to have them cut it out for me. Got home to be disappointed by no letter from Ma!! Has she forgotten already? And just as I have decided to be a "good girl" the next week.

APRIL, 1921.

Saturday 16

Went over to the beach with Dad & Ricky Van. Met Bev Eyre over there, also Mr. & Mrs. Thayer we had a good old swim & bake on the beach. Bev asked me to go sailing in the afternoon but not for tomorrow I had to go to tea at Betty & pop's. Had a very good time there, too, only Elsie & I. Their house is so nice - they rent it to the Vincent actors. In the morning Mr. Campbell came to play Riboage with Dad, also Mrs. Readwell so I stayed in my room & read "The Peddler" by H.C. Rowland came out to eat, this.

APRIL, 1921.

<sup>2nd after</sup> Sunday 17  
Went to church & sat  
with Jean, tickling her  
arm. Walked back with  
Buster. In the after-  
noon he wanted me to  
take a walk & Cammy ask-  
ed me to take a drive,  
but Buster stood out  
& we went over to the  
docks - not where I  
went with Sam. Found  
goodness. Pat & I talked  
on our usual subjects  
but he didn't say 1st since  
me, he actually was  
enough to know I don't  
see him any more! After  
supper I felt very rest-  
less but settled down  
to fix my memory books.

APRIL, 1921.

Monday 18  
Walked all the way over  
to the beach & then dis-  
covered the curve. Luckily  
was with Mrs. Rogers  
& no man. Came home  
& straightened my accounts.  
In the afternoon I  
went over to Sam's to  
see what he had to  
say. Elsie was  
up to a very point of  
which we gladly pas-  
took - also Rev. came  
in on a dare from Man-  
tea with nine women!!  
The Hatchings were there, sis-  
ters of "my little friend" who  
isn't "nice". Went to Mrs. Camp-  
bell's after supper to borrow  
a book - "Red & Black" by  
Grace Tullumond.

APRIL, 1921.

Tuesday 19

Attended to my horse-  
hold for a change and  
then Jan came over  
& we sewed a little &  
gossiped a little more.  
In the afternoon Ber  
came over to have  
his picture painted but  
it was no good at  
all - I was tired from  
making sandwiches for  
us & from piecing (\*) (as  
I call it to Buster!!) - so  
we turned the picture  
to the wall & ate &  
made merry. He is  
awfully easy to make  
merry with. In the  
evening I read - last  
night I wrote to Jan - for  
not a mention it.

APRIL, 1921.

Wednesday 20

Went to town to do a  
little shopping. Jan  
went with me, we  
looked at the earrings  
that I can't afford to buy  
and stop into refuse  
Buster's in violation of the  
Sunderland, etc. In the  
afternoon Ber asked me  
to go sailing. There was  
quite a bunch, Mr. & Mrs.  
Cartmell (B. & G.) and Mrs.  
Cyde & her two cute little  
devil-boys. She talks like  
a fairy to me. Afterward  
Ber took me to the Green  
door. After supper the family  
wanted to go out so I told  
Buster I'd go with him to the  
Sunderland - we sat in the garden  
& I got him very excited.

APRIL, 1921.

Thursday 21

Went to the beach & met  
Ber there, we sat in a  
little cave trying to keep  
warm. In the afternoon  
he asked to come over  
& have me try his picture  
again. This time it worked  
much better - I don't  
like it but every one  
says it's good. Then we  
had some tea and  
afterward took a walk  
at the cliffs to reduce!

There we had a fight over  
a pile of grass in my mouth.  
He nearly kissed me, but  
likely will to us or our dog.  
I don't know from going to the East  
I was alone with Buster &  
would like to see Mr. Birmingham.

APRIL, 1921.

Friday 22

Went over to the beach to  
meet Ber again. We went  
back to our little cave &  
there, as I expected, he kissed  
me & got very excited, against  
me. The water was great.

In the afternoon I met  
him, slept, & was treated  
to a walk with my Mrs.  
Robins and they went  
out to Mrs. actually to  
see Eldon from Birmingham  
asked me to go home in his  
motor but I came home  
in the ferry with Buster. Got  
a letter from Van again but I  
guess that's over for me. For  
I went out walking with  
Buster & we sat in the Belmont  
grounds & he kissed me & made love  
to me in spite of "Mars"!

St. George's  
Day

Saturday 23

Went over to the beach  
and met Ber + Polly Du-  
main over there. Naturally,  
two's company, three's a crowd.  
Later, Laura Lincoln + the  
other Durrain girl came  
+ wanted me to stay to  
a picnic lunch with them.  
But I came home + got  
to work on that con-  
fession I'd picked up some-  
time since I left. But the  
evidence was so persuasive  
+ got it right finally.  
Stayed at home reading  
all evening, even tho Dorothy  
had asked me to go to  
the Princess informal. Must  
be getting older, but I do  
like good dancers like Ben.

4th after  
Easter

Sunday 24

got up early + went to  
church. Had picnic outside, sat  
with Bob + Robinson. Was invited  
every time I was asked. At my  
breakfast, on my way to the  
beach where I was held in the  
sun until Easter came and  
still later Ber + Polly Durrain  
came. In the afternoon I went  
sailing with Ber, the Dur-  
main's, Nan, Laura Lincoln,  
Mr + Mrs. Capley + Dr. + Mrs.  
Campbell, + Elton. Dr. Campbell  
who brought his motor boat.  
We went to Darrell's Island  
where we ate a good big sup-  
per + then it began to rain  
and sailing home, we got  
soaked but had lots of fun.  
Undressed + read the rest of the  
evening.

APRIL, 1921.

Monday 25

Went to the beach again - it was perfect there - no wind & lots of sun. Ber & Pally Durnain were there. Ber kissed me good-bye - I can't understand engaged men - or myself. In the afternoon Dad took mother & me for a long lovely drive. We covered nearly all of Bermuda. We went down in the Crystal Cave it is really lovely & very wonderful. Did not get home till light - 10'clock! Met Buster at the ferry & he asked me again to go to the Princess but I stayed home & answered that was nice later.

APRIL, 1921.

Tuesday 26

Went to the beach & heard the old "Vic" pull out with her aboard without the least regret. Failed to teach Vicky Van to jump over my cane with the help of Mrs. & Mrs. Crolius. In the afternoon Joan came over & I did a little sketch of her. It didn't do her justice and later we went to Joan's and I could not get her very well either in as artist, I fear. After supper Joan came over & we talked - did you we did. Buster came so did we didn't change our topics! Joan stayed all night and a wild night it was between us.

APRIL, 1921.

Wednesday 27

Tried Jean's picture again with no success. Then went to town with the family & shop - Dad bought me a pocket watch like Van's! In the afternoon I tried to straighten out my drawings, but succeeded in merely wasting time & energy. Then Mom came and the atmosphere changed, we made some judo and ate. Jean dropped in for a minute to return Van's picture & have a chat. After supper, Aunt & Elsie came & we played bridge till a thunder storm scared them away. They stayed all night - we talked.

Thursday 28

Mom & I stayed in bed as long as we could get away with it, and then we went over to town and tried to find bargains. In the afternoon I got all dolled up in my kimono & sweaters and went out to Betty Appleday's to a luncheon party - walked out with Marion going who is 25 & most full figure & not bad-looking either!! Had a very good tea. After supper I was busy picking when Frank & Betty dropped in from a private dance nearby!! They quite refreshed me in the midst of picking my own.

Dad's Cousin Walter Robinson  
came today - came over to see us.

Friday 29

Finished packing and then  
Mum + I started to the  
beach, picking up Jean  
on the way. We hired  
auto and went in like  
Coney Islanders. We had  
a whole lot of fun, too. In  
the afternoon I figured  
out my accounts. Bill  
was here in the forenoon  
at heart, too, for I was way  
behind, but Dad was ad-  
ding + paying my debts. They  
sprinkled my hair + night  
dress + of Vic. Later Buster  
dropt in + looked blue + kind  
sad, but not as he did later!!!  
after bringing me home from  
spending the evening with  
Mum + Jack at his lovely big  
house. Still, I don't love him.

APRIL, 1921.

Saturday 30

Said good-bye to our house  
+ everything in dear old Puget.  
Mum brought me fudge + flowers to  
dock + Betty brought sweet peas  
Jean, Elsie, Buster, Cissy, Leslie  
Bill, Nellie, Lela and all, hundreds  
of people were on the dock.  
I was very sorry to say good-  
bye to them all, dear people.  
Luna Lincoln is sailing  
with me and we watched  
them things out of sight -  
then walked around the  
dock - everywhere. Later we  
played bridge with Mrs. M.  
Labsat, S. + G. The Volleys  
are sailing, too + we have  
a table together. I certainly do  
like Mrs. Volleys. Played spelling  
games, etc. with Mr. Bullfield  
in the Lincoln church. I don't

Rogation  
Sunday

Sunday 1

Was allowed to have Vickey  
on the shelter deck so I  
walked around & around  
with her, exercising her. Then  
I wrote a letter to Kate.  
Lunch didn't taste very  
good - it's not young. And  
afterward I felt rather  
pleased to lay in my deck  
chair, but later Laura &  
I walked two miles  
around the shelter deck.  
It is beginning to blow.  
Ate good big dinner, almost  
equalling Mr. Crolius - we  
had some wine, too, when  
suddenly we got into a  
storm & every one got sick  
around us! But Laura & I  
& Mr. Harvey stuck by until  
late on the walking deck.

Monday 2

It calmed a little after the  
bad night, then which I slept  
wonderfully. We were sup-  
posed to be in early but it  
was three before we docked.  
There is such a lot of silly old  
tape such as the doctors &  
immigration, the immigration  
and the customs - Dad & I  
walked by with a bottle of  
booze in each hip pocket.  
Dad died once when he  
leaned over to open a trunk!  
Took a taxi to the rooms Beau  
had gotten us. Vickey stayed  
with us in our room & the  
French woman kept us when  
we met Beau & went to the  
village for supper at the  
Pig & Wattle. Good to see Beau.

MAY, 1921.

Tuesday 3

Dad took Wiley home. Poor dear Wiley Van, how I hated to see her go. Mother & I went to a little restaurant near here for breakfast & then went down town & bought me a pair of shoes. We had a beautiful time riding in automobiles. Then we went to Miss Brooks at the Gotham for luncheon - very good - & saw Mrs. Martin in there!! Afterward we walked in the Park with Miss D. & then took a bus ride & Cards at cousin M. Hay's & Miss Ward's. Later Beau took us to see "Sally" which was "hot stuff" as you'd say. Phil went with us - great to see him again but I'm not sure that I was thrilled.

MAY, 1921.

Wednesday 4

On the way to breakfast at the French place we saw Mrs. Cabot, took on the boat, and later I discovered that Beau knows both of them! Mother & I slept and had lunch at the Mary Elizabeth, slept a little more & then went to the Metropolitan Museum & spent hours in that labyrinth - and then only saw a statue. Later Beau, Carol and Phil & I all went to Greenwich Village to an Italian place to dinner - very good. When it poured but we sat at the table & talked till late & then came home in a taxi. Oh, for Bermuda weather!

MAY, 1921.

Ascension  
Day. Thursday 5

Saw the stars seen &  
fascinate Walter & me  
but, oh, good, how much  
we had millions of  
dollars!! We lunched at  
the Mary Elizabeth again  
but I wasn't hungry. I'm  
in kind of a bad humor &  
I don't see why I haven't  
heard from Van. I wrote  
when we first came. Mother  
& I started for the museum  
on a bus but it was the  
wrong one & it took us  
way out of our way. When  
we finally got there we saw  
the Egyptian rooms. Great! Later  
Blair took us out to dinner &  
then to see "the first year" a  
perfectly ripping good play!!

MAY, 1921.

Friday 6.

Mother & I did our daily  
turn of the shops, had  
lunch at the Mirror  
and then purposely got  
on a subway & went  
to the Bronx Zoo. It  
is a wonderful place  
& Mother & I wandered  
for hours among the  
animals from the four  
corners of the earth.  
Also we were very fond  
of the nonchalant way  
we boarded subway  
trains. Blair took us to  
see at the Reg. Waffling out there  
we met Phil at the Piltown  
we had intended to go some-  
where to dance but were used  
& just talk or rather Phil talk  
about good & proper things

MAY, 1921.

Saturday 7

After breakfast at the French  
in room Mother & I went  
down town & did our  
last bit of shopping.  
Then we went to Miss  
Ward's to a very good  
lunch. The Judge &  
Mrs. Bangs were there &  
it was interesting. The Ma  
& I didn't talk much - we  
never do. Later Mother & I  
took a bus ride, so Phil did  
not turn up to take me to tea  
at the Plaza - all men are busy  
but this wasn't his fault.  
Then Mother & I had dinner  
down town & went to see "The  
Bat" - a terribly thrilling  
play. Had a great time walking  
alone on Broadway at midnight.

MAY, 1921.

Sunday after  
Ascension.

Sunday 8

Ma & I went to the  
church. Bea goes to and  
sat in the Judge's pew. Betty  
Moffat's mother was there, too.  
Then we took a bus ride &  
had dinner before we went  
to the college. Then we  
went across the park  
to the museum of natural  
history. It was really in-  
teresting but my school bag  
so much that I felt too  
tired to go. So we came  
home & sat down to tea.  
Phil & I walked in the park  
alone. Soon Bea came home  
from Princeton. And we then  
went to the Washington St. dinner.  
Then we sat at the Plaza &  
talked - Phil's & my conversation  
bordering on the topics of "Buntings".

MAY, 1921.

Monday 9

Mother & I packed up & left  
little home. Kumbally and  
took a bus to the station where  
we had breakfast & boarded  
a train for Lancaster. We  
had to change at Philadelphia  
where I saw John Hartman  
in the station restaurant.  
Dad met us in Lancaster  
& took us to Miss Gull's  
where we will spend the  
night. Went to Dr. Atter's &  
had my ankle (hurt in Bermuda)  
bound & then met Charlotte  
& stayed in to see Lory & then  
well. Gee, it's wonderful to  
see every one again. E. & Lory  
& I had a picnic & lunch  
and walked & saw a number  
of the college boys. see  
men

MAY, 1921.

Tuesday 10

Saw dear old Soley Van  
across the street with Dad  
and learned an awful  
tail - see men. - Then  
Mother & I again packed  
up & boarded a train  
this time for Bellfonte.  
Aunt Laura met us at  
Lock Haven & we had a  
bracy ride home. Every  
thing is just the same.  
I had lemonade & cake on  
the porch. It is quite warm.  
Then old Freddie came home  
& I scolded him for not  
having written to me. Sewing  
stayed in & we drove her home  
& then I saw Mary & Rachel  
& later Pete. After dinner the  
cousins & Pete came & we talked  
and Fred did not come as planned.

MAY, 1921.

Wednesday 11

Wrote & signed the guest  
book - more luck. Then  
packed and then went  
over to see Cousin Mary  
& Cousin Mary Ann. They're  
just the same. Packed dolls  
wigs for Cousin Mary. Then  
I tried to make the acquaint-  
ance of Biggy, the colt.  
In the afternoon I wrote  
to Buster & Van & then  
went driving with Aunt.  
She dropped me at the bridge.  
After dinner I went with  
Fred & Mary & Pete to see  
pictures of the war - very  
good. Then we took a little  
ride & I wouldn't let Pete  
ride me and I left at  
Mary's for coffee & cake.

MAY, 1921.

Thursday 12

Wrote in the dear old diary -  
whom I had rather neglected.  
Then I started to read "Thread  
of Flame" by Basil King. But  
Mary came along & we had  
quite a little chat. In the  
afternoon Mary & Maude  
and Ellis Keller came in &  
we played bridge - Ellis &  
I got beaten. Then Fred  
Kenne we told some  
gingerale & hermits. After  
supper, Fred and I went  
to the movies to see  
Kerrigan in "Capt. of op-  
portunity" - a wild western.  
Then we went up to talk  
to Maude & her friends and found  
a gang that Ellis, Fred, Pete  
and I played tricks & traps.

MAY, 1921.

Friday 13

Got to work to finish that  
fatigued dress which I began  
on a Friday and Edith, even  
the Mary came in. She  
stayed until Fred came but  
he was in such a rotten  
humor - she ran. In the  
afternoon Mabel & Edith  
dropt in as I took  
them up to Mary's. We  
played bridge again this  
time Edith & I winning. We  
had some good food, as  
Fred came to take me home.  
After dinner Mary, Fred &  
Edith drove to look  
over the club dance  
but it wasn't terribly  
thrilling. Arrived again first  
time since Apr. 4. Had coffee at Mary's  
Fred in bad humor.

MAY, 1921.

Saturday 14

Went down town with  
Mother, Aunt & Mrs. Mary.  
Took at some dresses at  
the Buck house. In the  
afternoon I had lunch  
with Fred at Cousin Mary's  
- very nice - and then Peter  
and I worked around  
making arrangements for a  
picnic while Fred played  
tennis. At about five Fred, the  
Bird & Mary, Mabel & I went  
down to Uncle's cabin at  
Fishing Lake and cooked  
a delicious supper. After  
ward we sat around  
talking & smoking. In going  
to make Bird say about  
me. In turn at the light &  
then up to the Suffer's till then.

~~Sunday~~ Sunday 15

Went to church and afterward  
walked up to the Post  
office with the Gungs. Mr.  
Maynard came to dinner.  
He is an awfully nice man.  
When he went I fooled  
around playing up & talking  
down to cream to Lorraine.  
Mary said Fred came in  
& we took an automobile  
ride - actually just the  
two of us. I told you about  
thought of his behavior  
with Mary, but I might  
as well have told it to the  
gas tank. Went up to the Gung  
to supper & they kept me at  
Pete's house they went to sleep.  
We played bridge there, but Fred  
& Mary didn't come up till late - I  
talked with Fred.

Nemo watched and the puglet  
in company of Phil until  
Mary came & go down  
town with me. We had a  
soda & fooled around until  
Fred drove by & took us  
home. In the afternoon  
after a lively(?) luncheon  
with only three but Fred  
I played my mandolins  
& drew pretty ladies until  
about 8. asked me to go out  
in the car with Mr. Cook  
mother & cousin up to my  
farm. Then I went up to the  
speakers to talk to Herb S. but  
foiled around with the kids  
mostly. After supper went to see  
Tom Moore in "Hold your Horses" with  
Bud Morris & went up to Mary's  
afterward. Made Pete's bed, I guess.

Tuesday 17

Soled around, catbush until  
 Aunt L. took me down town  
 in the car with her. In  
 the afternoon, I was afraid  
 I'd repeat the same per-  
 formance - then certainly  
 didn't want to do here. I  
 went driving with Mother  
 & Aunt L. - a lovely drive,  
 stopping at Poplarburg to  
 talk to the old ladies. Then  
 went up to the Shufflers &  
 had a good talk with Mrs. S.  
 Mary came to visit us & in-  
 tated Fred. We three & Pete then  
 went to the church mission  
 after ward after church singing  
 Fred took us for a ride. It  
 was a rather gloomy party. I  
 did not like Pete's house. Fred teased me

Wednesday 18

Soled around again until  
 Mabel came to walk away out  
 to the dress makers with me.  
 We stopt at Fred's office & had  
 him bring us home. In the  
 afternoon I intended to go  
 out driving with the family  
 but went over to stay with  
 Cousin Mary in Aunt L's stead.  
 Sat there & talked to the dear  
 invalid for an hour & a half.  
 Then I went up to the  
 Shufflers' where Fred soon  
 appeared. In the evening  
 the Daiglys, Shufflers, Bud &  
 Ellis came to make 2 tables  
 of bridge. Supper at Howard's.  
 All a very nice party.  
 Ellis & I beat. I beat Bud at my  
 table & made Pete jealous.

Thursday 19

Mary & Ellis - I mean Mahel & Ellis came in for me to go down town & after we had finished our shopping we got meat & went down to the stream & fed the trout until Ted went by & took us home. In the afternoon Mary & Mahel came in & after I had done a little sewing we walked out to Ted's office - I carried my dear old Bermuda cane! & brought us home. In the evening Bud came to see me. Ted & Mary went to choir practice & Ted did not return so he had promised to take us a ride - Gee, I was mad. But I really did not care for it & I sat on the dark porch & he kissed me most passionately.

MAY, 1921.

Friday 20

Made the green satin dress & pressed my brown & gold dress & wear tonight and went down town with Aunt L. In the afternoon, finishing the dress, & I gave it on & showed it to Cousin Mary & the sheffers - Ellis & Pete were up there! I was still mad outwardly at Ted as I left before he came & made an elaborate toilet for tonight. After dinner Bud & Pete came & we got Mary & little Sarah Ray & went to the Academy minstrels - very good then we went to the dance which lasted until four! Pete & I took a lovely ride at about three. Later we had coffee etc at Mary's. Had a time working both Pete & Bud. Daylight before I got home at 5.

Saturday 21

Muddled some clothes & then made a sport hat. As it was not finished I took it over to Cousin Mary's where Fred & I went over there to lunch. After that we got away & got the canoe together to go to Fishing Creek & a picnic. Heine & I went with Peter in the ford. Ellis tried to fish but in vain. Cooked an awfully good supper & then sat around the fire & smoked. Soon Bud & I left to take a walk. He kissed me most excitedly, both standing up & lying down on the pine needles. It was just twilight. Returned to camp fire & soon Pete & I left also sit in the ford. After while I told him I was not going to let him kiss me any more! Heine drove him with us.

Trinity Sunday

Sunday 22

Went to church & then Heine walked up to Mahuli with me to get her to come & have dinner with us. After dinner Peter appeared & we got Mary & the five of us went to the Mason's camp for a swim. Pete & I went under some bushes in the boat & he kissed me against all my good resolutions. Storm came while we were dressing. Went to our house & had supper in the kitchen. Bud soon appeared & Pete wouldn't leave & things would have been unpleasant if Fred had not taken us all out driving & then dropped Pete & Mahuli. Bud & I sat in the dark porch & he kissed me terribly & put his hand up-up-up under my dress & got me so excited I nearly died. I liked it & as did he.

Empire Day Tuesday 24

Went to school with Well and took the dogs with me. They got into several fights. Went up to Mrs. Hartman's to see Ma + Pa + then went out to the Hopkins's in the Packard with them. Mary H. has a lovely trampoline. In the afternoon Charlotte came here + we had luncheon with us and afterward we played the piano + until time to meet Well at school. I caught an ankle brace + then we got Dr. Appel's for a lion assine + I drove it. I was scared stiff but somehow I didn't scratch anything. MAY, 1921.

Wednesday 25

Wrote in my old diary and  
froled around with my pos-  
sessions until Mrs. Appel  
was ready to go down town.  
Met mother in a store & said  
"howdoo"! In the afternoon  
Mell & I read & sorted through letters  
& makes invitations to a flower  
show until we got up enough  
nerve to take the doctor's  
little for out riding. I stopped  
till day to run it & snuffed  
and got so nervous that  
when I got home I was  
dreadfully sick and couldn't  
eat my dinner. Chilled up  
enough to go with Charlotte,  
Henry Snyder & "Barnie" to a  
cheap supper & laugh there &  
to Rocky Springs to dance. Had  
dinner at Charlotte's place.

MAY, 1921.

Thursday 26

Said good-bye to Nell when  
she went to school. Took some  
letters to the bus driver's apartment

over & Mrs. Appel went down  
to the main with me. Had to  
go. Had dinner in I. A. &  
then some people going here  
and the little bottles, then  
the bottle. On the way  
again, almost as was riding  
the hill & nearly grabbed him  
at the front of the car. Thought  
and went. To get out of it

Saturday 28  
 Mother brought my breakfast  
 up to me and later we went  
 down the boardwalk, looking  
 at the shops. I saw no one very  
 friendly in a way! In the  
 afternoon I viewed, framed  
 pictures, and got my hair  
 done by Helen. Ted & I started  
 to meet him but went for a  
 soda instead! We came out  
 late, and in the evening my  
 sister and I went to the  
 beach to play with some of the  
 younger people. It was great, but  
 when we were back a long  
 time later the children of the  
 house were very tired and  
 now it is dark. We all went to  
 the party at the W. H. W. and  
 had a very good time.

It is raining and it is Dis-  
tortion Day! I slept all  
morning till just before  
dinner when Head & Motion  
to go out out on the road-  
side for a "trip". In the  
afternoon as it cleared up

Harpis Head pier and did  
absolutely nothing. The  
Wind is still from the

Benny was like a rest & I  
could hardly get him away  
from it yet. I finally took  
a walk at a distance from  
after dinner. Head had not  
come out alone to the  
road & Head out to be  
retained by Head's own will.

Look care of our land & try  
keeping baby by accident.  
Mother's garden was ready  
to go, but the trees were  
about nearly the whole  
length of the Rd. with some  
in only a few sections. Some  
got out & some in. got  
some and the'd out  
the garden. We tried  
to again & this time  
except nearly the whole.  
Mother & I sat on the Rd.  
with a long view, looking  
at the garden & the Rd.  
then & to it up!

After supper I was  
working the garden & night  
have been in the garden  
of the garden & the garden.

Wednesday 1

Went to my house before I  
was fully dressed and sat  
out in the back yard in the  
sun to dry it. In the after-  
noon I got a letter-writing  
out and sat down & wrote to  
Pete, Bud, Tom and Dan with-  
out stopping, sending them  
all the same lines in a  
different manner. Bob's was to  
acknowledge his wedding in-  
vitation. Sam, mother & I sat  
on the table & looked in  
the garden on the garden  
and after this we read  
and went into the garden  
house. The garden  
to let on how long it will  
stand this life. What old Harry  
is very sick & may die. Poor man.

Thursday 2

Thursday 2  
Letters from Jean & Mary each  
typical of the writer, no much  
interest I felt happy all  
day. Went on the horse walk  
with Mother and actually  
finished her stitching that pillow  
case! In the afternoon  
Mother & I went down town to  
do some shopping & to stop  
at Mr. Polio's. She is always for  
some ice cream & cake. We had  
at this place. Then I have  
some & made the pillow for  
the cover & finished. At the  
evening I read "The Million  
aires" by Andrew B. Hall until  
8 o'clock & Mrs. Palmer came in  
with her and a very nice  
and pleasant couple & spent  
an interesting evening.

Letter from Ned. Had to read it

 Would have fully heard her  
 little while before to re-  
 ally she was so good & so  
 pretty, & so clever! Her  
 of information. Her the  
 sister's & brother, and  
 I was so truly and so  
 and so the whole of the  
 that I was so glad to  
 meet. Then I came home  
 & found the whole of the  
 night was very anxious, & I  
 was in the evening, still  
 was, I started to read the letter  
 but was interrupted by Susan

Saturday 4

The Van Kleefes asked us to go shopping, so off we went in their car. I did lots of shopping. In the afternoon Lurana & I had to wait ages for our mother to go down town with us again. I mailed Mary H's present - off, at last! Then I had to take a jitney & go at break-neck speed to the Ambassadors to see Louis Rev & Mary Potter. When Dad told me that dear Aunt Nellie died this morning. Isn't it very sad? He had to go to Leicester tonight. Mother sat in her room & I wrote to Henry, Edith and Olivia. Got a nice letter from Bud today.

<sup>2nd after Trinity.</sup> Sunday 5

The Van Kleefes asked us to go to church with them, so off we went to the All Saints Episcopal. Good sermon on Love but I felt evil-minded and could not keep my mind on that word of love. Then we got rid of them & came home. In the afternoon we sat in our room, and read until late when we took a long walk on the V's walk. This is a very long day.

After supper we went to our rooms again and I fixed my mess on books up to date. Forgot to mention Mrs. Fock (beardie here) having asked us to go out to see Jack & Jimmy, the fighters this afternoon.

Monday 6

a letter from Dad says that  
must be in, not to be buried  
until Wednesday. Mother +  
I will not go to the funeral,  
unpleasant, too expensive.  
Went over to the boardwalk  
for a quiet morning of  
strolling. There found the  
Van Klecks - if it were only  
the Van Klecks! In the  
afternoon, Mother went to the  
dentist + smoked a cigar-  
ette in room + became  
frightfully sick at my time,  
but it is over. I observed  
mine to going down. Short  
walk home with Mother.  
Very hot after supper  
but settled down finally by  
Mother's bed + read "The Day After Tomorrow".

JUNE, 1921.

Tuesday 7

Worked very hard on a table  
last and when I had  
finished I went in search  
of Mother whom I found with  
the Van Klecks. Emma + I took  
a stroll on the boardwalk. In  
the afternoon I was making  
a georgette dress when I got  
a "snipping" letter from Jean  
so I immediately wrote to  
the old girl. Also wrote to  
Mae. Just as I finished in  
came Emma, she had been  
there before but I had not  
heard her, so busy was I telling  
scandal to Jean. After supper  
Mother + I took a short  
walk and then settled  
down to read my "Sunday"  
I remembered by the way.

JUNE, 1921.

Wednesday 8

Got some pictures from the Wagon  
of our picnic (p.m.) which Father  
did not like! Got tired sewing  
early & then finished my  
work - now I wish I hadn't!  
In the afternoon I did a  
little sewing and then  
wrote to Charlotte, who is  
being operated on & to Kate.  
Emma came in and inter-  
rupted me as usual. After  
supper Father & I were  
sitting & talking & I  
felt restless & could sit  
down & do a darn thing I  
wanted to do. Later he came  
with news of dear Aunt Nell's  
funeral. We bought it no big  
engagement ring - but I don't  
like I like my watch.

JUNE, 1921.

Thursday 9

Dad said last night that he'd  
given my darling picture to the  
hospital. I sewed until ten  
to get Emma & go down  
town to meet Mother. We  
did a little shopping, taking  
up a lot of time and  
they came home. In the  
afternoon I sewed madly  
but as afraid this stroke  
of work will leave me  
before everything is in order.  
After supper I wrote to  
Aunt Ned & to Charlotte  
and then took a stroll  
in the boardwalk with  
Emma - when we got  
back we had newspaper  
pages & saw things in front  
to find something to do.

JUNE, 1921.

Friday 10

Once more I attached my  
sewing basket and with  
the help of Mrs. Shaffer's machine  
finished all the sewing I  
have to do! Such a queer  
feeling it brings to have  
everything in just order!  
In the afternoon I sat on  
the porch and talked to Mrs.  
Stegman (boarder) about dogs  
until Emma came for me  
to take a walk. We walked  
for miles down the Belwell  
& back & sang at some  
music which I hope will  
be popular. After dinner Em-  
ma again appeared & I  
sewed & sewed in dinner  
but I got rid of her later & wrote  
Charlotte a nice sermon & Fred.

JUNE, 1921.

Saturday 11

Mattie & I walked to the  
Marlborough and there met  
Mrs. Hartman, Kitty & Louisa,  
John's wife. We five wandered  
into the stores & auction  
sales all morning. Oh, it  
was nice to be with some  
people for a while. In  
the afternoon I tried to  
patch a wooden box and  
then did a little mending  
and after ward read "Gentle-  
man of France" by Stanley  
Weyman. After dinner I  
wrote to Jane about Vicky  
and later played five  
hundred with Mrs. Shaffer,  
Mrs. Stegman & Mother.  
It was an exciting game  
& I loved the evening game.

JUNE, 1921.

<sup>3rd after  
Trinity.</sup> Sunday 12

Went to the All Saints church  
with the family. It is  
absolutely stifling hot.  
After dinner we sat  
on the porch and just  
gasped for breath. I  
managed to write a  
few letters - to Charlotte  
John Allen and Bud Moore.  
But I'm afraid they were  
pretty dull letters. Then  
I read & read & read,  
my chair got harder  
& harder & I got hotter  
& hotter - but reading  
was all I was good  
for. Now & then I would  
stop & make up love  
stories of Bellefonte &  
places I'd like to be <sup>in</sup> some day.

JUNE, 1921.

Monday 13

Got old letter from Spinnin-Brook.  
Went over to Emma Van  
Kleeck & then bethought me  
of some work and dragged  
her over here while I tried  
to sew lace on a dirty waist  
before the washerwoman  
arrived. Later we took  
a walk on the beach.

In the afternoon I  
read and slept & got  
mad at Mother because  
she made me go over &  
sit on the boardwalk. I'm  
getting so tired of having  
nothing to do I could  
choke most any one. In  
the evening I wrote to  
Charlotte & to Phil. I hope  
it has a good effect on the letter.

JUNE, 1921.

Tuesday 14

Another wonderful letter from Fred. Hurried to dress to go with the family & the Van Kleeces but they sailed off without me! Gee, I was mad! I sat on the porch & finished my book & calmed down somewhat. In the afternoon I argued with Emma until finally she went down town with me to the library & then to eat an éclair in a Café!! I waited for her on the sidewalk while she did an errand but again I was left! I was reading "Sixth Sense" by Stephen West & did not mind so much. Later wrote to C. & to Aunt Louis & read.

JUNE, 1921.

Wednesday 15

Mr. Shafer - our landlady - had a stroke of paralysis! I went down town with the Van K's and we went to a concert demonstration with living models, it was interesting but rather long. In the afternoon I finished the "Sixth Sense" - very good and started to walk with Dad & Mother but it was too hot so I dropped in a drug store & got a malted milk instead. After supper Emma & I took a long walk and later dined with her & her mother to see Marguerite Courtot & Jean Lapierre in "Rogues & Romances" a good review of Spanish life.

JUNE, 1921.

Thursday 16

Dad took some snapshots of me & sent to Jean, Bud, etc and after I fixed some hair in a pattern for Mother & Dad & I went down town and went to my shoe store in search of shoes to suit both Dad's price & my feet - impossible. In the afternoon I had a head ache & slept & looked around while he washed his hair. After supper I took a walk with Emma & a trained nurse, declined the offer with them & came home to read Phillips' *Opposition* "Jacob's Ladder". I dreamed very realistically about Boston.

JUNE, 1921.

Friday 17

Letter from John Allen in first mail - he seems to be growing up! Played with baby Clement, who by the way, is adopted, on the porch until I discovered "Lucie" then I sat quietly & read - & thought of my dream which might have been caused by what I saw on going suddenly into Mother & Dad's room at night - Saturday knew it was done & got it surprised me. I got a nice letter from Phil & later one from Bud & one from Mary. Mary's amused me - so much so that I answered it immediately! I read all day, finishing my book & then starting a serial in the Post - "Wild Wife" by the Bowls.

JUNE, 1921.

Saturday 18

Left rather late and then  
sat on the porch and  
read. In the afternoon  
I went over to see  
Emma and she gave me  
some nice letters I read  
from "inner" men and  
giggled & made me so  
mad that I soon came  
home to my books  
again. I'm been reading  
Lassagne's stories, about  
brother's who don't grow  
old, etc. After supper I  
read on the porch until  
the moon came up &  
caused me to think over  
my past! I never can  
make out whether I'm a  
dumbhead or a very clever girl!

JUNE, 1921.

<sup>1st after</sup> Sunday 19

Went to All Saints with  
the family - service there to  
dedicate a beautiful window.  
Walked on the Boardwalk after  
church & saw Jack Dempsey  
the prize fighter. In the  
afternoon I read &  
played with little  
Clement until Mother &  
Dad went down town &  
I went with them. We  
walked home. Later Dad  
went to Kansas as on busi-  
ness. Emma came over  
& we played my mandrake  
& tried to be long enough but  
we just went. Later I was  
reading when Mr. Folk came  
in - dead drunk! He is awful.  
Wrote to Peter just before bed.

JUNE, 1921.

Monday 20

Good old letter from Nan.  
Started to walk down  
town with Mother but  
met the Van R's & they drove  
us down. Then we  
walked home and stopped  
at many shops. It  
makes one diplomatic  
to be poor & have to look  
for bargains! Wrote to  
Dad. In the afternoon  
we hurried down to the  
station to meet Mrs.  
Gloringer & Timmie, the  
dog. They are at a boarding  
house near here. After  
supper I met Emma & her  
man who is visiting her. Met!  
Read all evening "Lighting"  
by Frank Bacon. Long at play.

JUNE, 1921.

Tuesday 21

Got up early to do some thinning  
things. Emma came in to  
say good-bye - so sorry! Then  
Mother came up with the  
news that Fred & Mary have  
eloped! I could only gasp! He  
was mad - Fred! Certainly  
is a master hypocrite - damn  
him! Met Mrs. Gloringer &  
we three walked for miles on  
the boardwalk to buy a little  
perfume bottle to mark Father's  
birthday. In the afternoon I  
found my mind working on  
a new outdoor tale - out on  
the boardwalks later. Dad came  
home & brought me some new  
shoes. Letter from Aunt Lavinia  
telling of the blow & reconciliation.  
Wrote to Dad & Mary & to meet...

JUNE, 1921.

Wednesday 22

Before I was fully dressed the trunk came from Aunt Maud with Aunt Kelly's & her clothes in it. It is a wonder I was ever dressed this morning - so many lovely dresses & hats to try on. Went down on the B'd walk for a little while before luncheon. In the afternoon I got a nasty letter from Kate calling me selfish! Then I went driving with Capt. & Mrs. Palmer, Mother & Mrs. Glouinger. It was lovely - I sat with the Capt. who is weird! He made us walk in the woods etc!! Read & wrote to Aunt Maud, Mrs. Huffer & Phil in the evening.

JUNE, 1921.

Thursday 23

Did my exercises as usual and then took my hair out of rollers & tried to make it look better - no success. I served on some of the dishes Aunt Maud sent. In the afternoon I got it all washed up & I went down town with Mother. Washed hair on the wash and met Mrs. Glouinger. I watched the girls. Got a funny letter from John. Little Donald & Mrs. Seaman left today - sorry. After dinner I served until dark & then read & thought how nice it would be to be married to Phil! I'm rather tired of life as it is.

JUNE, 1921.

Friday 24

Am still stiff from my springing.  
Got a letter from Anna -  
after all I did to squelch  
her! It is absolutely  
stifling hot today. I  
sat on the porch &  
gaped for breath. Pulled  
the pads to across with two  
pillow cases for heat barrier.

In the afternoon I  
went out to Mrs. Palmer's  
with mother & Mrs. Brown.  
I went, much to  
get food & they didn't  
have any! How, how, how!

After supper we sat  
on the boardwalk until  
it got darker & then mother  
& I took a walk for exercise.  
I went pleasantly surprised.

JUNE, 1921.

Saturday 25

Exercised - got letter from  
Phil on subject of Fred &  
Mary. He agrees with me.  
Mother & I walked down  
the walk and bought a  
"dorm" for my little grandchild  
made of Aunt Helen's first  
watch. In the afternoon  
we sat on the walk &  
dined - I on Aunt's pillow  
case. In the evening  
Mrs. Goringes treated  
mother & me to a lovely  
two-hour dinner ride on the  
walk. We certainly saw  
every variety of human  
being - but no one was  
kind. It's a sight seen  
no where else. I treated  
the man afterward - by coloring

I even exercise on Sunday. It  
is raining - a rainy Sun-  
day - ugh! Went to church  
with the family & then  
brought a Saturday eve.  
Post. I was that most  
of the afternoon. Later  
it cooled off & I went  
up as I walked down  
the walk all by my-  
self. It made me want  
to write just when I  
was at me with no  
anxiety of mind. That day  
I finally felt more at  
home with the world.  
After supper I read  
the book by R. B. R. R.  
I'm getting much more  
winded just as soon as I read

Monday 27.

Got a rather stupid letter  
from Pete. Post Mother got  
a thriller from Beau - that  
is - he asked if I had any  
come with him next week.  
ugh! I said: I only that  
what doesn't change in  
my changeable mind.  
Mother Mrs. J. L. L. L. L.  
made to the end of the  
walk. I walked some  
more at all the steps.  
In the afternoon I sat on  
the porch & sewed  
& played with my baby  
interestingly. After supper  
I started a new story  
"The Red Lady"

got up with the intention  
of going down morning but  
head would not & so dis-  
arranged my plans. I went  
into walk & sat in a  
chamber with Mrs. Glen-  
nifer & son and until  
after mother & Dad came.  
I washed my hair & then  
took a walk. In the afternoon  
I went to the doctor's  
office. Mother was ready  
to take a walk. She  
told me about the news  
I am going to get on my  
wedding day. After dinner  
I heard the news & then read  
"Suffering husbands" by  
Wallace Brown. I have the  
book in this room - see entry 11.

Wednesday 29

No mail - how that fast,  
darkens a whole day! I  
washed my hair & then  
Mother was moving into  
a back room, with a  
bath. That we don't stay  
long now. Then I sat in  
the yard & covered. In the  
afternoon I fixed over one  
of Aunt Maud's dresses &  
then I got up & fixed up to  
take a walk with Mrs. &  
Mrs. G. but they didn't want to.  
Finally however they did start  
to the walk & we saw part of  
the Elms parade. After dinner  
I heard the news & then I  
had a tea for my sister & over  
& asked Mr. B. about the  
for the boys. Read the entry

Thursday 30

got a fine letter from Mrs. Shaffer. She doesn't understand how I can write. It is a very brief day - not rain, first day, but the work is slow. Mrs. Polk carved a dear little woman out of a peach stone & gave it to me. In the afternoon I carved & read. Mrs. Palmer came to call on mother & Mrs. J. After supper I read a little book on Calumet etc. that Mr. Polk gave me & was glad when Mr. & Mrs. J. suggested walking - in the middle all day. We had ice cream & quite a party. Mrs. J. is leaving.

Friday 1

Made some clothes & pulled <sup>(Residents abroad should now order this diary for 1922)</sup> in my room all morning. Letter came to me & out, Kalm doing nothing. In the afternoon Mrs. J. & I went walking. Saw two men being rescued from the ravine old ocean - great excitement. Telling Dad & Mrs. Polk on the walk. Coming home & out & talked to them for a while. After supper I wrote to Papa & to Mrs. Emma. Took a slight stroll with the family & went to bed early & dreamt of the good times I shall have with Paul.

Telegram saying Phil can  
not come! With that  
the whole bottom dropped  
out of my day. Got a  
letter from my home-  
sick friend in Canada.  
About the poor sewing  
+ stretching the jeans  
nervous. Ah! In the  
afternoon it poured  
- I slept soundly almost  
till for Bede's arrival.  
Glad he came any hour.  
Walked alone to the library  
just downy what interesting

rally + went at one of the  
quarters - after visiting the

down on the beach + the  
Coke, too. There were several  
in bathing. The water was  
fine but very dirty. A woman  
no stockings, I saw enough,  
one of the guards pointed to  
her in the distance! In the  
afternoon I came and I  
walked down to the  
Pier + sat on it listening to

got awake feeling like the  
thought of my body to do what  
it pleased me. And the first  
thing I knew I was crying  
most hysterically - twice I had  
in "mother's" - it is something  
lost. But when after I was  
calmed, to get ready to go  
bathing with Mrs. Mrs.  
I went, boards, in reduced  
me to her place - pretty addi-  
tional young and nice. After a  
big dinner I went & I went to  
see, activities of the temporary  
superintendent of the hospital - explained!  
to a way where we sat

Tuesday 5  
Slept rather late as it is  
a rainy day & I have  
nothing to do. Had a  
little work before dinner.  
Read "Bird Song" by another  
Stocking and later "The  
Largest Ocean Lion".  
Had a very pleasant  
conversation with  
a number of students  
of a small college. Had  
then a long talk with  
the man who had to  
take the administration  
of the college. He is a  
very capable man and  
I wrote a rather long  
personal letter to him. Then  
I played what seemed  
like millions of records for  
hours. He is tired and will  
not come home later.

Thursday 7  
We were to have a wonderful  
dinner & some shooting in my  
face & Mother & Dad planned  
to have it! It is a Cornish  
I can hardly believe it is  
mine. When I finally was  
dressed & it was the 10th  
walk around the block with  
me. I went. It was not  
just fine. Every foot I went  
I had to know! When we had a  
dinner with 10!! I think I was  
up! Isn't that too good to be true?  
I took a long walk with  
Mother & a few kids, who were  
off my mind & trying to think  
how I could spend the night. After

Saturday 16

Spent on my photo - all morning in a photo of many urgent in situations to go swimming. In the afternoon I returned until 12 noon & I started out with the intention of meeting L. D. at the Club. But we watched the boat in the harbor, & we shot & snatched so that we never met him! He had a car with him & I went with Betty & her brother Roland & the Steel Pier, we saw something interesting. Madge Kennedy in "pid with the pig, heart" movie. There were crowds everywhere. Roland is very in

Went to church with the family & then went on to work with practically the whole morning house & Miss B. In the afternoon, Susan & I went over to sit in a garden but after while the little Frenchman, Mr. du Pont took me for a ride on his car. When he returned he spoke in French. "Up is up, had just for a moment in a car." He then said "I'm not the dog" & then went into the City Hall to hear the music & see the show & discuss

Monday 18

During my car trip at  
at the night camp  
- absolutely wild with  
not a word! if it were  
from nearly half the  
the one up. I heard  
a very faint noise - in  
which I heard a  
I pursued them - and  
them up. I saw a  
saw the noise - never  
to me I journeyed down  
town with them to mail  
them & then sat in a  
pavilion waiting. I  
managed to journey with  
with him instead of  
walking after supper I  
finished "J. L. L. L." Monte  
rank & walked home in rain.

Tuesday 19

Weather: had breakfast  
together in the room - quite  
a long rest. I stayed in  
the little hotel until  
the afternoon - and in  
the afternoon I paid  
wonder at the house  
on a plain dinner. I  
saw the house. I went  
with me. Later I took  
a little trip to the  
and went to town. I  
had all morning. I  
wished I would get a  
letter from Van - not  
because I want to  
hear from him, but  
because I want to be  
the one who does it  
also. But - why worry.

Wednesday 20

Stayed in bed again till quite late and then had. In the afternoon I took a nap - read and reported some generally. After supper I found myself helped to do many things but go with Louis, Beattie & Beau to the hotel. We first tried to get a girl for Beau but in vain. At length we met a friend of Louis - very glad with out a girl - as poor Louis had some still got dancing with three boys in a balling room! Louis is so excited!

Thursday 21

Got up very early, about 10 - and went down town with mother to do a little shopping. In the afternoon Beau & I walked all the way to the end of the main road. We got back to the hotel & I went to the street car - but got before Beau suggested walking home. After dinner I stayed in the walk till midnight & ate some & then came home & read Mrs. Ward's "Helen"

Friday 22

I did not go swimming in the  
beach but watched swimmers  
in many places - I had the  
whole time - swimmers  
swimming & gracefully - Oh,  
yes, why can't we tell  
the truth outright? In  
the afternoon Mrs.  
Stewart took Betty & me  
& Edie. Muriel & Mildred Eise  
Lander, very attractive and  
young, to the new site - con-  
science says my in "such a  
little house" - very good -  
then to the beach and about half  
to tea. I saw - about 10 came  
in & danced with us. After  
dinner I saw & I & Edie &  
his boy and the other P. &

Saturday 23

I stayed in bed all morning

others. In the afternoon  
I went with Mrs. Stewart  
& Edie in the T. & L. S. S.  
went. Mrs. & Muriel & Edie  
to get island. I saw at the  
only Mrs. & I saw Mrs. &  
like Pol. Later Betty &  
went to the movies - James  
& Edie's "What every woman  
wishes". After supper I  
went to sleep with the  
family and M. turned out  
last time for a chair and  
again & we talked much.  
I saw that I saw as all  
in the morning.

went in parking garage.  
Dean, Mr. & Mrs. Stewart  
& R. Adair & his friend  
& others all went in to  
some guy who was talking  
like Mr. Stewart; all  
unusual and of Mr. Adair  
friends. After dinner &  
much discussion we  
decided to go in again.  
I was half past 10  
when Jim & I arrived  
in leaving a line!  
After supper cleared

Monday 25

Mother & I went to the  
Lif. in a morning  
boat - to see some  
last night in. In the  
afternoon I was talking  
in an unworldly about  
went to bed when Mr.  
Stewart came in &  
we were sitting  
down along the road  
walk - we wanted them  
in their chair & jumping  
soon after it left  
unusually early at an  
attention to go driving  
with Mrs. Storer, his  
Stewart's mother. They  
on a last day. After

Tuesday 26

My mother and I went  
going in the morning -  
for a little while to work  
some things - which  
was all morning  
in the afternoon  
I went up to see  
Betty. We sat &  
chatted about many things  
under the sun - mostly  
many of course that had  
funbroke - (I tried)  
it as a little drawing  
for Mother. When we  
were very well at last, the  
playing of the piano  
was Betty & I were  
concerned that we  
in "Dance of the Fairies"  
it was rather "interesting"

Wednesday 27

Betty all of a sudden said  
she "didn't want to go in"  
so I went in  
with little people & see,  
brandy & had lots of fun.  
We took little baby Clement  
in - & true to his kind he very  
interestedly, patted my arm.  
In the afternoon, I went  
Mother & I were out at times  
to the All Saints Church  
fair. We saw a lot of  
candy, books & a bag full for  
Clement - did not mean  
to go, but returned to our  
home. As we were  
about to leave, we were  
told to "well, be sitting  
down there & to Hato."  
Then I read a very good  
story about a wonderful prize

Thursday 28

Adelle + I went in the  
evening again and had  
great sport diving &  
mucking in on the waves.  
In the afternoon Betty  
& I went to see Pauline  
Frederick in "Roads to  
Freedom". It was rather  
good time. Then we  
had no music & changed  
some. No entertainment  
today as we generally have.  
After dinner Walter &  
I took a walk on the  
beach & then read  
the law by candlelight.  
I read a North African  
story. This morning I got  
a letter from Leslie (Betty's  
son) - he has papers, too!

JULY, 1921.

Friday 29

Walter & I went with her  
living and read. In  
the afternoon Miss & Mr.  
Bell & Miss Wetherill  
came to call on Walter.  
After dinner we decided  
to go out to some edge  
then but a storm came  
up suddenly & we got  
home just in time.  
Then I read & read all  
evening. And finally  
went to bed wishing  
very much that I  
had some man to love  
& to love me. I am  
getting quite old & no  
one at all - what  
if I never meet the too  
handsome, athletic, well-fellow.

JULY, 1921.

Saturday 30

Adelle came up to my room while I was in a most exciting book - and after while we went swimming - or rather - diving, for the water was very cold & rough. In the afternoon Mother & I started to walk but got too warm & came home. Later, I went up to Betty's, but she wasn't feeling very well & I felt bored so I came home early & actually played my hands! After supper Dad took Mother & me to see Babe Daniels in "The March Hare". Very amusing.

JULY, 1921.

<sup>10th after Trinity</sup> Sunday 31

I went to church & then hurried home to go on errand with the Stewart, Betty and Mr. Kitson who is visiting the Addises. Not quite as jumpy as last week. In the afternoon went to the Cemetery for an eve. Post & on the way home saw a man lying carried from a bath house on a stretcher. Later I learned that he was dead! First dead man ever seen. I think. Went up to Betty to say good-bye to her - she is going to Pillsbury. Dad also left us for Lancaster. So Mother & I took a walk in the wedding room.

Monday 1

Bank Holiday. Monday 1  
Got up early & went  
down town with  
brother to pay to the  
municipals for a new lease.  
Read magazine & stories  
when we got back. In  
the afternoon I got  
to work on the story.  
Got a couple little  
reliefs today, but all  
my hand. In evening  
I took Clement for a walk.  
He played with his supper in  
such a way as to cause  
brother alarm for my inno-  
cence!! After supper he & I  
walked with Mrs. Rose  
for miles to the yacht club  
to a party. I don't think it  
is an "it" place, but very nice.

Felt much better this morning - proving my theory of no medicine. It is still raining however so I could not go out. I got to work on my dress again and spent most of the day so occupied. After dinner I wrote a short letter to Miss Beets - I hope he won't answer it! Then I started a very thrilling detective story - "The Wardens' Mystery" by H. Bedford Jones. Gosh! and I'd love to be able to write!

Thursday 4

The sun is out! Mother & I set out for the woods as early as possible. Then I came home & sewed. She is making a dress, too. I sat at my work & finished mine - was a well-worn dress. I put in electric iron to press some things. I was not home when I had to entertain our two brothers, came after dinner. Mother, Dad & I took a walk & after I read. We are much disturbed about where to go next. I have written a birthday letter to...

got dressed to go in  
evening with Mrs.  
Stewart & then she  
changed her mind!  
so I served. But  
not with much  
success. In the  
afternoon I served  
again but gradually  
lost interest & wasted  
time. In the evening  
went with Roland  
& Whit Collins to  
Longport for Miss  
Maloney. Then we went  
in her car to the Pitt &  
dined in the quiet. When  
I got home - late - Mrs.  
Stewart brought me a  
sandwich & there in their  
room in my room we went.

the afternoon the  
two boys and I, after  
much arguing, went to  
the Star Pier where we  
kind of looked at a Bill  
Hart & his wife & then danced.  
Batter, Whit & I danced.  
We all had a gay time  
chatting & dancing. Whit  
was once engaged to a girl  
from N.E.S. In the evening  
dined with the family & all  
on Miss G. with them & then  
the boys & went to the Chelsea  
club & danced with both "Fred"

Mr. & Mrs. H. H. H. came here  
+ the boys + we all went  
in swim ring. Mr. H. H. H.  
+ the boys made me do  
many dives. There was great  
excitement on the beach -  
taking movies. In the  
afternoon Roland + Whit  
came over + again it  
was "What shall we do?"  
Mr. + Mrs. H. H. H. decided  
it by taking so all to see  
Linda Brown in "The Woman  
God Forgot." Not so bad  
as it sounds. We walked  
around. After supper Mr. H. H. H.  
approached Mr. H. H. H. + we  
girls "piled" out + chattered  
until 11:00 when we walked to  
a supper place + what  
then! I was always with Mr. H. H. H.

silent walk to Ventura.  
In the afternoon found  
Mabely came in her car  
+ after a few words we  
went to see "Kagan" the  
story of the way - dog - it  
was very good. I like some  
after supper Mother + I  
watched the current +  
came home just in time  
for me to see in video to  
go with the servants + two  
"Ladies" to see "Jeddes  
Men" as I called deep movie.  
That was nice as ever + sleep  
now at home.

Tuesday 9

I fooled around clean-  
ing up every thing I  
could lay hands on.  
If I die before I come  
back here every thing must  
be perfect. In the  
afternoon I wrote to Ned  
to Luff, Fred, Betty Addie  
and Nan Beebe. Then I  
packed my suitcase.  
In the evening Mrs.  
Stewart & J. Addie &  
Katie (Mike) and I walked  
out to the Ten and five  
miles & miles. And then  
we walked up me!!  
Katie came in after wards  
& stayed quite late, brought  
me 1000 cigarettes &c.  
and was really perfectly happy.

Wednesday 10

The whole family fooled  
while I took my time in  
getting ready for the  
train. Then Mrs. Thos &  
I had a nice last  
trip to D. L. L. We  
had lunch at Warrington  
& then went to Kansas City.  
The up jels & Kate met me.  
The up jels are just the  
same but Kate seems a  
little queer. We fooled  
around here & then took  
a ride & a canoe. And  
then the food seems awful.  
We went out to the beach  
and for a good dinner  
with Dr. Luff. And after  
family dinner. Bob Brown  
& John Thos. Gower came & took  
me to a drive home.

Thursday 11

We went down town in the  
ford, Susie driving - Nell, Kate  
& I. I left at Miss Susie's  
to see Gramma. In the  
afternoon we had our blood  
tested by Dr. Appel. In normal.  
Then we went up to Kate's  
until time to dress for  
Mary Hoppino's wedding. It  
was lovely - Mary was  
sweet & so were Jane & Mary.  
Then went out to Miller's  
to the picnic - good food  
& lovely presents. I saw my  
dear Vicki and there! Kate &  
Vicki were with me.  
Later we had a great picnic  
followed by Jack & Mary  
to the train. Because we were  
in such a hurry. I finally got to the  
train & that will be it.

Friday 12

Got up early again and  
managed to go then all  
my exercises. We looked  
around until we got the  
ford & went to Tony's. She  
is just the same - sleep-  
ing important. In the  
afternoon we got  
Kate & took a ride - &  
enjoyed quite a lot. Later  
we went out to the  
baptism for the girls  
to see the presents. I  
saw my dear Vicki  
again. After dinner we  
took a ride again &  
visited the ford and  
then played a wild  
game of bridge. That  
is the best of my day.

cove. But when I  
started out with mother

new Dodge. They took  
us to Pasi - very nice

got to Pasi. we  
stayed around finding  
a house close to the lake  
and camped at the station.  
Took the train to Astoria  
city where Dad met us.  
Every thing just the same.  
After dinner Dad - Mother  
came to see me & later  
Eddie, Helmer & Gordon.  
Her name (Portland) came &  
we all went to the Star Bar  
to see the rounds. Fun!

Mrs. Stewart told me in  
bed again. She gave  
me "Mr. W." by Louise  
Hale to read. In the  
afternoon Betty called  
up & we went to the  
casino - saw a good  
good sized comedy  
Wallace Viles in "The  
Man & the Girl" who was  
good. Then we went to the  
house & she told me my  
fortune - I wrote that  
Helen will kiss me & she  
almost guessed it!!!  
After supper Mrs. Stewart &  
I walked to the library &  
had ice cream. Later I walked  
to the Stewart's & read.

back & wasted time  
generally until the 15th  
& I took a long walk.  
After supper I read "Mr.  
W." until the servants &  
the ladies & I went for a  
long, long walk. Coming  
home Betty & Helen were  
asleep. I saw Mr. & Mrs.

Wrote a long letter  
to Dad - & was soon  
tired, and was waiting  
it when Aunt Mrs. St.  
begged me to go in  
bathing with him - so  
I did! It was a fine  
bath, but even this it  
did rain & the family  
got mad. In the  
afternoon I wrote  
birthday letter to Dad  
and then played with  
all afternoon with Mrs. St.  
We had lots of fun &  
passed the rainy day  
quickly. Mrs. St. is a dear.  
After dinner I settled  
down to finish "Far. Wm."  
it is a very terrible story.

Spent the morning draw-  
ing crazy pictures of  
Clay's, Gals & Hangers.  
Just had a lovely time  
all by myself. In  
the afternoon I was  
very restless & tried  
to head out finally  
wandered up to Betty's  
where I talked to her  
and helped put pictures  
up on the wall. Then  
we planned a midnight  
swim & got Mr. St. & Mrs.  
to our car - and got it  
over. But there was no swim.  
The swim was a failure &  
is over. Then Vol & Beat  
on the porch & talked till 12!  
After that we went home.

I got no first letter later.  
Mrs. H. Mr. T. Mr. B. & I went in evening.  
The party was in the  
pub but very cold. I  
was covered that I could  
not see across water!  
In the afternoon  
went up to Betty's  
& we went to see the  
tangle play & comedy  
"Ido" - it was a  
scream never caught  
so much in my life.  
Went home. After dinner  
Betty came & wanted  
up to take a long walk  
without Violet or any one  
else. She is a great girl.

After much delay Mrs.  
Stewart & I went in  
bathing - a shower!  
In the afternoon  
got a little more  
work. Mother was  
able to walk & see up.  
It was some walk  
three miles but we  
enjoyed every bit of it.  
Came home in trolley car.  
After supper I played  
obolite and wrote to  
Peter & Olivia until Violet  
called me up & then  
came & we took a  
nice long chair ride  
on the boardwalk. One  
we met Betty, the Stewart  
& Robinson and then did not  
see any more.

I went back to bed again. It was when finally I got up. In the afternoon Betty + I went to see some pictures. They are B. Paden's "The Hawk" + it is probably the best movie in going to see. I saw this kind of thing. After supper I waited for Robie + he + I took a long walk with Mother. We passed Robie + Leonard on the boardwalk. Mother + I went to the end of the beach + "Colored" +

gives a party and  
I go to bed again.  
After dinner I sat in  
played golf sitting & then  
I told him to send Betty  
down here but he sent  
Nolie instead. Very nice.  
at first I didn't feel like  
going anywhere, but I went  
a little and came back, but  
later we were so tired & had  
lots of fun.

AUGUST, 1921.

Wednesday 24

Waited & waited, mostly  
in bed until Mrs. Stewart  
was ready to leave her  
hair & then I did mine,  
too. Her hair is the same  
in the yard as it was.  
I was not about a foot  
of mine off!! It is the  
same & thin. In the  
afternoon I went with  
Clayton to the farm. I  
was there, and I saw  
the same things - only  
hope of getting them dropped  
me on!! After supper  
Betty & Nolie appeared &  
took me to see the Clayton  
in "Waltham" I suppose it was  
awfully good but I don't like  
pictures & Betty was sitting  
between me & Nolie.

Thursday 25

Foiled around with  
Mrs. G. so that I wasn't  
ready when Volio. came  
came to go in swim-  
ming. The ocean looked  
awfully rough so we  
spilled over to the beach  
but there were too many  
crabs there! On the way  
back I met Mr. Franklin  
a wonderful golfer. In  
the afternoon I wrote  
to Whit Collins. Then Mike  
and I took a long walk  
to the end of the board-  
walk! That's some test  
of friendship! After dinner  
I was trying to read where  
came Mike - we chattered  
until we made up our minds  
to go + get some ice cream

AUGUST, 1921.

Friday 26

Mike came to go swimming  
and I was almost ready.  
We took a ball with  
us + played catch on the  
beach. We took it in the  
water too + saved for it.  
The water was terribly  
rough. In the afternoon  
I had dinner + I went  
to see the new Greenwich  
Village police - very spec-  
acular, but not exactly  
the thing to see with my  
family! Another + I walked  
to work. After dinner  
I sat down + started  
to write to Mr. Stewart  
but he was in the kitchen  
so I didn't + didn't tell Mike  
to come! So I added "see you  
tomorrow" + went to bed.

Saturday 27

Too once to go in bathing  
with me! I stayed  
in bed as long as I  
possibly could & when  
I was able I dressed & played  
golf. In the afternoon  
Susan, two other who  
were here to lunch  
& I walked on the beach  
- then went down  
+ Mr. Kelly + went in the  
ocean. Great! After  
John called me & we went  
about time to play some  
holes of "golf" outdoors  
with Mr. Stewart before  
he came to take me to  
the Steel Pier. We talked &  
told him about the letter I  
got from Johnnie Knelford  
this morning. He said in a

What serious illness with  
the Stewarts. John & I  
were playing golf  
I seem to either have a  
day or more time. We had  
just, Mrs. S. & I, nevertheless  
in the afternoon I  
went with the Stewarts  
to Longport to the  
beach. Susan was  
kind of cool - but really  
suffered from the Stewarts.  
Mrs. S. & I went in the boat  
house & I saw it was  
robbed with some  
called in but as he was  
for supper, my own  
called John - but at "last"  
John & I went to the  
beach. I didn't see any more  
the Stewarts in the

Monday 29

Maiko called up at 11:00  
to get up - 4:00. I was  
telling her prices & fees  
going to Osaka - 300-00.  
A little later Plata called.  
Thrills & catfishes! But  
it was Leo's, Betty's  
the poor fortune! all the  
afternoon Betty & I  
went to see a drive  
through on "the great  
vestment" - an interesting  
picture. Then we  
went at 3:45 diamonds  
shopping ring! after  
supper I went up to  
bed to see what the  
chaffers. And who is for  
a job in!! when I was  
yawning told my fortune. Betty  
& Leonard went to bed.

AUGUST, 1921.

Tuesday 30

Tuesday rain & a little packing  
my mind in a whirl. But  
soon I went in bathing  
with Maiko - and Betty  
who was passing & wanted  
to stay with us. In  
the afternoon I looked  
around what Betty was  
making in a bath  
and it was not good  
given a hand. Later  
I tried to go in  
bathing again - with her  
hus. It was a very hot day  
since my mind etc. after  
supper I went to the bus  
Maiko's note. Maiko & then  
Maiko came & we tried to  
make out what she said.  
I was at a loss for a while  
but when I was at a loss for a while  
I was at a loss for a while.

Wednesday 31

Went in for a last dip  
with Mr. Stewart - it  
was wonderful - almost  
like Bermuda bathing.  
Drove off his back & all  
kinds of stunts. Then I  
packed & packed  
until after lunch. Pretty  
early in the afternoon  
we went to see Louisa  
& Alameda in "Houses in  
Row". Very good. There  
is a woman who's up & pre-  
vented me from going  
in bathing again with  
Trudy who came down  
early from Paula. So it!  
After supper Dad & I played  
"Golf" in my room & then Trudy  
came & we went in the porch.  
I had a very nice time & spent it! Very good.

Friday 2

Most awful night I  
ever spent - hot, noisy  
+ too tired + blue to  
sleep. What's the use  
any way? I varied sleep  
a post card to Mrs. Stas  
relaxing. Then mother + I  
called on the cousins  
Ray on our way to  
visit Marion's. Phil was  
home, some and is in  
in bed. Any little old  
heart is rejoicing very  
much. I stay at home +  
helped him fix his  
sweater!! Pleasant.  
I stayed there to dinner to  
hear some "home" - I got  
out of it I left for home - I  
was very tired.

SEPTEMBER, 1921.

Saturday 3

Unpacked my trunk and  
sent up to the house.  
Mary + I sat + talked - it  
is so nice to have a  
married friend! I tried to  
wash + cut + wash  
my hair. Tried it in Phil's  
room while he shaved.  
Then we took a drive with  
Agnes + Mother. Got a package  
of a letter from Thelma - just  
lovely. Went to the house for  
dinner with the family and  
of course, refusing to go to  
the movies with Paul + Marie  
sat with Phil + listened  
to his warblings against  
Fred who drives. He talked  
of many things + decided  
I also talked about some  
home + talked to Paul + Marie.

15th after  
Trinity. Sunday 4

Beau came on the early  
train. Went to church  
with Uncle and Cousin  
Harry Ray. The whole  
family family came in to  
see Louise's new dress.  
Lynette is good-looking. My  
family stayed here to a  
delicious dinner. Left  
at 10 o'clock. And later went  
to the school to see the  
at a student camp. There I  
saw the black and white  
at 10 o'clock. The train  
of his mother's wife - he at  
last was there. When  
it was dark we saw the  
last - the black and white  
against the black mountain  
dramatic light.

Monday 5

It is raining - on Labor Day.  
Went out to the house &  
sat in the room playing  
with the snakes. Peter  
got a whole bunch  
came in to see him. In  
the afternoon - stayed  
there to lunch - and then  
wedding present came out  
after that. Later we  
dressed them to go to do.  
At 10 o'clock Beau had a  
dinner - Mary + I + Bill + I  
had to - which I served  
under Uncle's supervision.  
Went to church for dinner.  
At 10 o'clock Beau + I + Bill + I  
for Beau's train. Time to leave  
see him. We arrived a little  
+ then played with the  
snakes.

Tuesday 6

Still feeling like the devil.  
Went up to Aunt's & after  
talking to her for a while,  
went down town with  
Helen & Mary. Helen so usual  
was restless & made me  
stay & then to church - is  
it not awful? In the  
afternoon I left again &  
took a peach of a ride  
taking Digby the dog  
with us. I scratched him  
(the dog) to sleep on my lap.  
Then I pressed my dress in  
Bud's room, to sleep to  
the dance at work. I was  
wondering how by Kate's  
red & Mary & Pete & I went  
together. I have dance &  
great fun. Don't go in as  
much as I want to.

<sup>likes it.</sup>

Wednesday 7

Got up feeling spy after the  
wild ride home in the back  
seat with Pete. Pete came  
in before I was fully dressed  
& after a few brands we  
went to Cousin Mary's where  
we met Martha & her mother  
a rather plain girl who is en-  
gaged! We stayed there to  
lunch and afterwards got  
all set for a wonderful  
ride thru the mountains.  
We discussed sex thoroughly.  
Then I pressed another  
dress & after dinner at the  
Bush House - actually - went  
with Pete, Martha, Fred & Mary  
to Lake Haven Club to Don  
Hopkins' dance. It was fine.  
Danced with every one I  
wanted to. Home at 11 o'clock.

Thursday 8

got awake early, rather  
tired & stiff but when  
Phil came to take a  
walk said not a  
word but went with  
him. They fed Mary  
& I went to the sing-  
ing to church & after  
trying to talk to  
Henrietta in vain I  
went with Phil to  
have Dippy's picture  
taken and then I drove  
the car & we went to  
State to watch football  
scrimage. Phil & I are getting  
very intimate. Once he kissed  
me rather unceremoniously. Had  
supper with Dady & the family  
and arrived at the house  
3 o'clock called again

Friday 9

Mary walked in before I  
was dressed and hurried  
me to take a walk  
with her & with Phil.  
We walked & walked &  
walked. Got back dead &  
I dropped into the Bush house  
for my meal. In the afternoon  
wrote to Mrs. Stewart & then  
saw Phil's snake bill &  
cut a rat. Wonderful sight  
we fooled around, getting  
mad at Fred & taking Mary  
for a ride. Then Fred Mary & I  
Scottie & I went to Cousin Marie's  
to dinner with Martha. Very  
good meal & company. After  
ward Phil & I took a ride & he  
kissed me. More, more! This

Saturday 10

Helped Mother wash her hair  
& did sundry things, in-  
cluding talking to Peter  
at the Wrens' house & calling  
on Margaret Miller, not at  
home. When Helen came  
we talked till Phil came  
and took us to Aunt's.  
I tried to be happy &  
afterward Jack, Mary &  
Phil & I went over to  
State, to the football  
practice & got caught in  
a storm. So went home  
for dinner. Afterward  
we all went up to the  
Hudders & I teased Phil  
by flirting & saying  
with Peter! Then Phil & I took  
a ride & had it out & he kissed  
me and kissed me!

SEPTEMBER, 1921.

16th after  
Trinity, Sunday 11

Hustled off to Sunday School  
and taught my parson's  
class - the big boys - on Mrs.  
Maynard's report. Went to  
church with Phil. Stayed  
at the house for dinner.  
Afterward we decided to have  
supper in the woods and  
bustled around getting ready.  
Then Phil, Mary, Martha, Phil  
& I went down to the club  
and Fred made me ready  
not asking poor Peter. Right  
Phil & I took a wonderful  
walk up a gap. I had never  
seen anything like it before -  
just nature. We talked - see  
Hudson. There we met the  
other three & had supper. Home  
early & up to the Hudders. Till later  
Phil kissed me - & I kissed him!

SEPTEMBER, 1921.

Monday 12

Phil came in to visit me before I was up. Wrote a note to Jean - about Phil. + to Harold Wilson. After lunch with Mother Phil came for me to watch his snake eat a deer little quince pig. It could not swallow it. Then we came to my room and had really quite a time on my bed. Finally we snuggled out of it and went to my house + I tried to do a sketch of him. After dinner he took Mother + me up there + after much maneuvering got permission to take a ride. We stopped + repeated the experience of this afternoon, only worse. I was at last - I hate him.

SEPTEMBER, 1921.

Tuesday 13

Awful night in which I decided that Phil is nasty but I am master and I lasted for mine. Later when Phil came to take me on brands I could not hide my feelings. We took Aunt Maud + Mary around too. In the afternoon Phil took Mary + me out on the road + we snuggled and roughed around - how can Phil love me + treat me so. I got another letter from Uncle - praises me! Later we fed a mouse to a snake - large audience and then treated the two doves + Pete off to a picnic in Fishing Creek. Jane, Bud, Ellis, Mabel + Lora were already there. Sang around fire throughout the night. I hate him.

SEPTEMBER, 1921.

Wednesday 14

Phil took me and Mary  
+ Ellis out to State College  
to see some deer little  
bear cubs. Went to Aunt  
Liz to luncheon. In the  
afternoon with a large  
audience we put on the  
mousse to add the music.  
Then Phil + I went in to  
woods behind the club  
+ practiced shooting on his  
big army rifle. It was  
great fun, but some job.  
Phil. him was me and  
that was all. Rained  
time to dinner + soon  
after he left on the train.  
I am not sorry. Peter  
came, later we sat on the  
back house balcony. Peter is a  
comfort.

SEPTEMBER, 1921.

Thursday 15

Kind of queer not to have  
Phil waiting for me. Did  
several duties + then walked  
out to meet Mary - she +  
I went down town. On the  
way back we stopped at  
Jack Montgomery's + talked  
to him. I'd like to "get" him.  
Stayed with Mary to luncheon  
in the afternoon. Phil + I  
went up to Peter's and there  
was Jack, so, so we started  
a campaign against him,  
poor deer. Later we had to  
come home + help get  
ready for the great dinner  
party for Uncle H's 60<sup>th</sup> birth-  
day. Great family. There - clear  
pages + favors! Lots of men  
called afterward. Great success.

SEPTEMBER, 1921.

Friday 16

was supposed to meet Mary  
who kept me lingering  
around the streets - we fin-  
ally bought some music.  
Went out there to church  
& afterwards Mary and  
I went up to see poor  
mother & father who is in  
bed. Then we took a  
lovely drive with Walter  
& Albert Ward. I sat with  
Maudie. Got a letter from  
Phil just before I left!  
Later I got dressed & went  
with Peter, Mary & Fred to  
Ruth Griggs's dance at  
Locke Hall. Country club  
would not have enjoyed it  
except for Peter. On the way  
home we saw Freddie Dagg  
mark 200 - simply awful.

SEPTEMBER, 1921.

Saturday 17

Most terrific rain & storm  
Stayed in bed late & then  
joked around, watching  
movies & fixing up my  
books. In the afternoon  
Fred & Mary came for  
me after I had written to  
Hau & I talked of driving  
about Bermuda. We  
sat around and rode  
around until it was  
time for me to come  
home & dress to go to  
James's after dinner to  
a bridge party. She came  
for me in her Ford. Her  
friendings of Harry & Mary  
is visiting her. Her letter  
& I read those two. Hugh  
& Scottie drop in - all coming.

17th after  
Trinity.

Sunday 18,

I taught Aunt's class  
at Sunday School again  
& went to church with  
my family. Went to  
Aunt's to dress her. After  
ward there was a very  
impressive service.  
Ran across the street  
The little Carters came  
to see us. Later Fred  
Mary & I took a drive  
- rather silent, I felt like  
a "third person". Then  
we went up to the  
Ingley's to supper. Mr.  
Maynard was there  
too. His dear. Later Mrs.  
Mrs. Wyman (C. Ingley)  
& the sheffers & the  
dropt in. Mabel took us for  
a ride in her car.

SEPTEMBER, 1921.

Monday 19

A good slowly & thought-  
fully - pondering over life.  
Went up to Aunt's. To  
church. In the afternoon  
Fred dropt us down town  
and we did a little  
shopping - cigarettes most.  
Then she made me go  
with her to some sort of  
a children's Bible lesson  
after that, a day. Fred  
took us for a little ride.  
Taking Mabel & her sister  
Bobby with us. I came  
home to dinner. Dad  
hardly looks at me any  
more. Peter came after  
ward and we had in  
Mrs. D. & it's a very warm  
& talk & needed seriously.

SEPTEMBER, 1921.

Tuesday 20

Met Mary at the hairdresser, did a few errands and called on Pete at the warehouse. Met Jack who took us out to the house. After luncheon I talked to Aunt Maud - she is very attractive - then Phil & Mary & I smoked. Later Ned Love & Mabel came in & we played bridge & toasted marshmallows in front of the fire - it is cold, etc. Went to the Busch hotel & dinner - do they want me at the house?? - sat in the lobby of the hotel talking to Bud & Jack - in leaving a "avial" <sup>Pete & I took</sup> <sup>Mary & Ned</sup> <sup>writing</sup> <sup>all they got tired & then</sup> <sup>went to Shaffer's - Marge & Scott there.</sup>

SEPTEMBER, 1921.

Wednesday 21

Raining pitch for us - drive an expression! Went up to the house just before luncheon - talked to Aunt M. In the afternoon I sat with Joe. Mary who is sick & in bed. Wrote to Mrs. Busch, Jim's friend, about Bermuda again. Got wire after from Harold Pitou. Later Mary & I had tea in her room & Ned came in. Left them together for a while and finished "Sisters in Law" at last! I stayed there to dinner which was very nice as every one was in a good humor. Afterward Ned drove Mabel, Bud & me down to see Norma Fairbridge in "Passion Flower" no good.

SEPTEMBER, 1921.

Thursday 22

Got letters from Mrs. & Mrs. Stewart! No mention of Mike. Went up to Aunt L's after getting Pete to buy me some cigarettes for Mary, much to the amusement of the other boys in the warehouse. Fred & Mary went to the drug store. I stayed with Aunt L. soon Mary came home & went to bed & I massaged her finger nails until piecing came. We go for a walk - we did & wandered thru lovely woods & almost got lost. She & I had dinner with Fred & then Peter came & we played bridge. Fred took us home, stopping at the Shufflers on the way.

SEPTEMBER, 1920.

Friday 23

Went up to sit with Mary and talk of many things with her. Later I thought I'd get up a picnic & completed plans for that. Stayed to lunch with only Fred & Uncle Fred! In the afternoon I nursed Mary faithfully & finished a pillowcase for Aunt L. Went up to the Shufflers to see Mabel for a minute & to get a breath of this glorious day. Came back & got tea for Fred, Mary & me. Came to Bush House & dinner. Hattie left & I went to train to see her off then Fred & I went to Shufflers & played bridge with Mabel & Maud.

very busy getting this  
damn picnic on its  
feet. Went up to the  
house to lunch and  
afterwards rushed  
around getting dressed  
& ready to go in Jamie's  
ford to the state ~~base~~  
ball game with Peter,  
Jamie & his friend. Jack  
was supposed to go &  
resigned. It was state  
College vs. Lebanon Valley  
& not as good. They  
we came home & got  
Bud & met Mabel & Jack  
& had a great old picnic  
up Trout stream, cooked  
sang around fire & Peter  
went to club where Jack danced.  
Later at Birch House, Bud & I danced with

18th after  
Trinity. Sunday 25

Up in a hurry to go to  
Sunday School. I caught  
the morning big rays. Went  
to church with Aunt &  
very good up-to-date sermon  
by Mr. Maynard. Went to  
Aunt's to dinner - very  
good, duck, etc. to lunch.  
May is up at last but  
it is a horrid rainy day.  
The three sheffers, I & Hugh  
called in the afternoon  
& felt silly & acted so.  
Later Pete & I took a ride in  
his ford - I ran it - wonder-  
ful sunset. I went to the  
sheffers' to very good  
supper & rough house  
afterwards. Hugh & Scott  
there. Pete & I danced on side  
porch when everyone got.

SEPTEMBER, 1921.

Monday 26

Slept until they wakened  
me to give me another  
bureau & wardrobe so  
I had a nice little job  
changing all my clothes.  
Then I went up to Aunt  
L's. Every one was away  
except Mary & Fred - good  
chicken lunch. In the  
afternoon Mary & I  
each wrote a birthday  
letter to Jennie & then  
took a walk & settled  
down in the woods for a  
s-m-o-k-e (our war cry).  
Later we went to Fred's  
office & he took us for a  
beautiful ride. We then  
had dinner at Aunt L's.  
Dad is away. Kate called later  
sewed bridge.

SEPTEMBER, 1921.

Tuesday 27

This truly dressed when I  
finally got up - what's  
the use of hurrying?  
Went up to the house  
& served. In the afternoon  
I wrote a nice letter to  
Rolie-Mike. Then Mary  
& I went to S. Jeffers.  
I waited there with old  
Bobbie until Mabel & Mrs.  
S. came home & played  
bridge with us. On the  
way home I stopped  
at Cousin Mary's & Lucie-  
dently Aunt L. asked me  
to come to dinner which  
I wanted to do - unless Mr. & Mrs.  
Dad & Aunt L. had come home.  
Called on Jennie in vain. So  
I sat with the ladies who kept  
talking about and girls while I sewed.

SEPTEMBER, 1921.

Wednesday 28

Got up early & went out  
to help Aunt L. with  
the housework - maid  
gone. Then Mary joined  
me & I tried to find  
someone to go down  
town with me - found  
Mother & Aunt Maud.  
In the afternoon I  
went driving with the  
Ladies; sat in front with  
Elwood. Got a screaming  
letter from Beau about my  
going to the game with Phil.  
Then I got ready to go to  
a picnic with Mabel,  
Jennie, Leath, Mary & Fred  
& Peter. We went to Spring  
Creek - it was lovely. Cooked  
steak. Peter fixed me quite a lot.  
coming home in Fred's car.

SEPTEMBER, 1921.

Thursday 29

Went to the parish house  
to help Mary tie up jack-  
ages for Mr. Maynard.  
Then I went up to the  
Sheffers' to lunch. Mr.  
& Mrs. S. were not there.  
Soon after ward Elwood  
took Mary, Mabel, Peter  
& me down to the club.  
Jack was there & his car,  
so I took Peter for a  
ride in it - we had a typical  
time finding the way home.  
Then we sat on the porch  
while others golfed and  
he continued to tease me  
as he had all day. Went to  
Aunt L. for Michaelmas  
goose. Got letter from Phil.  
Went up to play bridge with  
Mabel. Then Maud.

SEPTEMBER, 1921.

Friday 30

Mary came in before I  
was dressed - & finally  
we went to the Varig  
house to work on those  
packages for Mr. Mary was  
Awful storm blew up  
while we were there. In  
the afternoon we went  
back & finished the  
job. Then went down  
town - I got back in  
time to take a nice drive  
with the Aunt & Cousin.  
Aunt Maud was gone - too  
bad. Went back there  
to dinner and afterwards  
Peter came & we four went  
to the Bush as cake to dance  
rather rough but good  
music. Went to supper & made  
coffee & toast at 2 o'clock.

OCTOBER, 1921.

Saturday 1

Thought I was sleeping  
late but found it to be  
earlier than usual when  
got up. Mary met me &  
we met Ted. In the  
afternoon, Ted & Mary took  
me & John Love & Hugh  
Ling over to State to the  
foot ball game against  
Gettysburg. It was very  
good. Hugh & John & I had  
lots of fun in the back seat.  
When we got home we  
dropt John & got Peter &  
went down the road to the  
"Littany Tea Room" where we  
had a wonderful chicken  
waffle dinner. I had  
a real fist fight for fun here  
& one later at the supper. I  
was in on very much.

OCTOBER, 1921.

<sup>19th after</sup> Sunday 2

Did not go to church Sunday I don't  
but got to church just a little  
late. It was Communion service. Good sermon by Mr.  
Maynard on "Trichinosis" & all  
Saints, I mean, all angels.  
Whole family went to Aunt  
Lo's to dinner. In the  
afternoon I called on the  
Consignees Hay & then went  
with Fred & Mary to call  
on May. Beezer & then to  
the Grange Club where we  
met the Sheffers, Hugh, etc.  
Hugh would not let me  
drive his Ford which annoyed  
me. And after supper I went  
to the Sheffers & Hugh said  
naughty things & we had another  
fight. Then I got kind of mad  
at Peter.

Monday 3

Fooled around in my room  
till the last minute  
& then rushed up to Aunt  
Lo's to lunch. Got a "dippy"  
letter from Mike full of  
the darlings of little pictures  
he drew. Also I see him  
again. Mary & I went  
up to get Mabel to come  
& sleep but she has a bad  
cold. So we didn't say  
ourselves but had a tea  
party for the consignees Hay.  
Wrote a short letter to  
Phil & hurried home to  
dress, & back to Aunt Lo's  
to dinner. Then Mary & I  
went to Nat Lowe's to a  
very nice card party - all  
girls. And I won a prize!

Went out to parish house  
to help Mary & Big Mavis  
make sandwiches for  
church supper. Went to  
Aunt L's to lunch & returned  
to sandwiches at the board.  
Then Mr. Ward read at  
me to registering the  
names of the delegates  
to the Church School  
Service League which had  
its meeting here of the  
whole diocese. I escaped  
however, & walked to  
Milesburg with Hugh  
Ray & Bobby Shepley. Home  
in time to help Aunt L. serve  
supper to some of the  
delegates - & then sang in the  
choir & afterward played ray in  
at reception at parish house.

Must have been no netter  
because I had no cigarette  
OCTOBER, 1921. all day.

Thursday 6

I'm not going to that  
Parish House affair again.  
I went driving with  
Carmen Mary & Thelma  
& then had lunch here  
with Dad. In the  
afternoon a train arrived  
& I saw slowly - I wrote  
two kind of business  
letters & then wondered  
why to talk to Peter. I  
felt no time. Just time  
to get home to take a  
bike with me. Even  
though I had to wait  
till dinner here at the  
Couch & later waited  
for Peter - we got Fredson.  
I went to the office where we  
met rich & attractive machine.

OCTOBER, 1921.

Friday 7

Went out to the house &  
talked to Mary about  
the affairs of the world - es-  
pecially my mother's feeling  
the fact that I feel that  
Phil no longer wants me to go  
to the game. In the afternoon  
she had a meeting  
so I tried in vain to  
take Dicky, Pinkie, and walk-  
ing & then got Thelma  
& had a very nice long  
walk with Peter who  
treated us to milkshakes.  
Dined at Bush and  
later Peter, Carmen & I  
played solitaire till Ted  
& Mary came & we all went  
to the Brooks' off house  
dance. Very good. I had at least  
later lost my mind with it.

Cut my finger-nail off!

late when Hugh took father + me  
for a ride in Fordie.

OCTOBER, 1921.

Monday 10

Hugh has gone back to work - too - too - much! I did a little shopping & then went up to cousin Mary's. She is all alone. I cut out & sewed up doll dresses for her. Just now I had a very bad cough. I said something to her about Phil - was she any - which Aunt A. heard & was upset - such times as I'm having! I washed my hair at Emma's & talked to her till Fuddie came. F. is a good humor - rejoice! Rushed down to dinner and went up to Peter's later. He was, too. Played bridge & took for a ride with F. & M. & Mabel.

OCTOBER, 1921.

Tuesday 11

Went up to Aunt L. rather early & worked hard on some bloomers. In the afternoon James, Mabel, Mary & I took a nice long walk but got caught in the rain just as we reached Fred's watch factory. So we took us home & we all went in James' house & had tea (by the fire). Fred & I had planned to go to C. Club as Mary had a meeting. My whole family went to Aunt L. for dinner & afterward Peter took me for a ride & then we played bridge with F. & M. When I finished the 1000 - game I was really so tired.

OCTOBER, 1921.

In the afternoon Mary & I cut down stairs & unpacked & served until mother came with a lovely letter from Hugh and a very queer one from Plink. I should go to the game with him after all. I wrote immediately & said I was going with him. Aunt N. is on my side in the matter at last. Later I went into Phil's room & prayed after dinner. 7:30 - I called on Mrs. Hingley, the boys, May & the others.

Thursday 13

Went to eat some breakfast. Said good-bye to hotel people & went over to wave house to see Peter. Then Mary & I & truck and came to welcome us by our trip - Aunt G., Dad & mother in the Cadillac with Elwood. It was a wonderful day, the curtains were like Persian carpets in colors. Had good picnic lunch & arrived in Kansas at 4:30. Got another apologetic letter from Phil! It is so funny to be staying at the Evans house. Dad & Elwood called & I went to see, Charley. All came out!

OCTOBER, 1921.

Friday 14  
got up feeling blue - Low  
with I were back in  
Bpts! Kate didn't come  
as she said she would  
as I went around with  
Mother & Aunt L. seeing  
all their friends. Mary H.  
Dano man looks very  
well. In the afternoon,  
Dad & Ma & Aunt L. & I  
went to see the "Four  
Horsemen of the Apocalypse"  
in movies. It was  
wonderful and I  
cried through out. Oh, Dad  
wanted to die, too. Then  
the four went to the  
Hartmann's to dinner. Bob  
was there & showed me his  
book of his trip around the world.

OCTOBER, 1921.

Saturday 15  
Wrote a nice letter to Ray  
and then went with  
Mother & Aunt L. for a  
wonderful  
drive, sat in front  
with Woodie & chatted  
aimably. Wonderful  
day - clear & not cold.  
Went to Middletown, Reading  
where we had lunch, then  
to Lebanon, Reading  
and home. Gee gee, it  
was great - the  
only thing to console me  
for not being at the  
game at State with  
Ray & "F. M." started at  
ten & got home at six.

highly. Saw two swans  
at noon when I went to meet  
Aunt Mary. R. who is here &  
spend the night. <sup>is Aunt's friend</sup>  
called later.

OCTOBER, 1921.

Monday 17

Mary & I slept together - gee, it  
was great to have her  
near me again - she  
certainly is companionable.  
Aunt R. & Mary left early  
for Paula - was too. We  
went to rooms across  
the hall. Dad & I had  
lunch & alone and  
then I took a bag full of  
letters to the attic  
in the office & sorted  
them away. Met Kate &  
Charly who came here  
with me while I was  
a little & talked of the  
world to them. Had  
nothing at all to do after  
lunch but sat around  
talking to Dad & me & writing  
to Grandma.

In the afternoon wrote to Mrs. Stewart & Marie & went out to Mary's. The "man" was with me. I would find myself excited and I felt blue & have decided that I am not a popular girl, after all. Anywhere, there have always been "times". I read "If Winter Comes" by A. S. M. Hutchinson. The letter came out to go to a post. Since I said no & you called him & said yes.

ice cream, before I had to go  
to the girls' room for a  
treatment. Then the girls

wards but was too late  
to go in myself. After

talking about Phil's job,  
so after finishing very  
very good work (see Sunday)

of beautiful tales about Haps.

never accomplish anything.  
In the afternoon I went  
with Kate & Tony to see  
F. & M. play football  
against T. M. C. - & beat  
them. Very good game &  
we had lots of fun. All  
of a sudden I decided to  
go to the dance tonight &  
take Lou May who played  
such good football! So I  
did - Kate & her boy were  
in the car and it was a  
very nice dance and I  
didn't feel a bit "unobscured".  
Things just didn't bother me.

Went to church with the family & walked up to Charlotte & Kate's after work. In the afternoon I tried to write - couldn't - & then to wash - couldn't. Finally I met Charley & walked out to Tony's. There was an awful bunch out there - nearly all were Buecher. Martin & John West, Armstrong & Mrs. says, were to finally visit me. I didn't have any supper but I ate a bit & went to get corn fodder for Margaret with a "bang". Sat in a car with Jimmy & Walter - played with me & Andrew.

Bad night, no sleep all  
kinds of disgusting dreams  
about my poor Mary! I  
dressed early & went up  
to Mrs. Glooring's to  
see her machine.  
It is electric. After  
lunch - a big one at the  
Y.W. - I had a hair  
treatment and then  
went back to finish  
sewing. The girls called  
me up to play bridge  
but I was still busy  
until quite late after  
lots of trouble. After  
dinner I sewed and  
got things ready for  
my trip & then wrote  
a long letter to Mike.

We hung around the garage and then went back to the hotel + sat in Peace de Alley. I tried to "pick up" someone, with no success.

Scattie as funny as always. We had dinner and finally at four got on our way to Cambridge. Hugh + I had some fist fights + he often kissed me. Regardless of Scattie! Saw Kate when we arrived - she + Doug. Later Hugh + I + short + I walked to see Mrs. Delia.

Letter from Hugh.

Friday 11

I moved this morn'g & went  
up to Hattie's - returned with  
Johnson & his car on the  
way. There I saw them &  
we too turned to the bells  
while they buried the "un-  
known soldiers" in D. C.  
Hattie & I went to the S. W.  
to lunch then I had a  
hair treatment, met her  
again & we watched  
the parade. When we  
went to Gypsy Climax's  
and she helped me  
make some trassies  
& told me a lot about  
babies. Maie Johnson  
came in later. Grandma &  
Uncle Ed had dinner with  
us. Wrote to Mary & Ann.

game - namely - I met  
Tom down town & went  
out to ball field & met  
Fritz & Ed & Amelia there  
& watched T. & M. run in-  
nings in the mud. It was  
drizzling & horrible cold.  
Dick Snyder sat with us, so.  
The Hartmans came to  
have dinner with us & sister.  
I went with Miss May to  
the inter-tribe dance at the  
Barnavicks. It was a very  
good dance & Jan was darling.

Went to church & walked  
home with Charles &  
Jerry Matt. Had a nice

Tutty at Hamilton Club. Then  
we three called on my & Emily  
before taking me home. I  
was writing to John when Kate  
& Doug Frank came & took me  
out to Marie's. Ted Linard &  
Dave Williams there. Tony & Beau  
were not there.

NOVEMBER, 1921.

Monday 14

Raced over town on a few errands  
before meeting in sister's apt at  
Mrs. Eyster's. We walked  
home & had lunch at V. M.  
I got a letter from Mike saying  
he had seen me that I at last  
in Phila. on the matter, so of course  
I didn't write to him!! I am  
then I went up to Charles's  
& talked confidentially - she  
got Kate & went down to  
Emily's - played bridge etc  
and I smoked. Emily  
told me more about the baby  
after supper & we talked until  
John & Mary came & took me  
to see "His Lie in" after the  
show - we sat with Debby  
there & after wards sat alone  
in a room where I wouldn't sit with me!

NOVEMBER, 1921.

Tuesday 15

got up early to have a hair treatment went up to see Kate, who brought me some in case I go to the hospital with mother for treatment. Ben & Alice came home with Maggie & met Kate & Emily & went for a little ride. Then I saw Dad who says Miss Mary has invited me to come to N. Y. - such excitement! I wonder how much I like this big desire of mine! Got letters from him & his to Helene & me. After supper went up to Neddy's with Bleacher, Martin & Jerry. Went to play bridge & had a delightful evening. I was!

NOVEMBER, 1921.

Wednesday 16

got up early again to pack and then I went shopping and to the office garden with mother - such a bustle. Then Kate at the N. Y. and had her come to eat with me - I shall have to say good-bye. She was so kind to Mrs. Lyster and then mother & I came home & did some finishing touches. Later I went out calling - Mrs. Lyster & Mrs. Brennan. After supper Doug & Anna came to see me & kissed me & got me all mixed up by the time dear little Lou May dropped in to say 'bye-bye'. Dick & Susan also came, but big brother Doug stayed on - kissed me again & again.

NOVEMBER, 1921.

Thursday 17

Got every thing in readiness.  
Late came & told me all about  
F. Keifer's wedding, etc & took  
me to my good-bye & my  
one & only station. Charlotte  
was there & introduced me  
to Mrs. Brown, friend of  
Emily's who came on the  
same train. She is very  
young & attractive & we  
had lots of fun together.  
Even went in the ladies room  
& smoked a few cigarettes.  
Beau met my train & put me  
on a bus to come to 1018  
Madison Ave, where Miss  
Ward will come. Sam  
& Eleanor Marquand are here.  
Walter White came to call in  
the evening. And I can't talk!

Phil very flirtatious after midnight!!

NOVEMBER, 1921.

Friday 18

Was awakened at what  
seemed to me the day break.  
Actually ate a big breakfast.  
Talked to Samia & Eleanor.  
They are very nice girls.  
Then I went out in the car  
with Miss Ward & later  
she & I had lunch here  
together. In the afternoon  
Miss Ward took Miss M.  
Robinson & me driving  
way out to Pyc, Conely.  
Miss Ward some clothes  
when we returned. Phil  
Raymond & Olivia Johnson  
came to dinner. What was  
old day again? Then we  
gave a party in Phil's room to  
see the D'Arcy girl - musical  
comedy & afterwards to the Royal

up early again - went out riding with Miss Ward and wrote to Miles & Lou May before Miss W. took me to meet Phil at the Baltimore. As usual had to wait for him - he showed me his office - & then we had lunch together. Beau met us & we got the ford & went to Staten Island to get Phil's watch. Beau was kind of supercilious & Phil in a bad humor - but at least I got him a little interested - but not like last night. After dining with the Wards alone, Beau & I went down town & danced.

NOVEMBER, 1921.

<sup>20th after Trinity</sup> Sunday 20

Went to church with Beau at St. Thomas on 5th Ave. Very beautiful. Mr. & Mrs. Artemus Ward came to dinner. After wards we waited & waited for Phil to come - nearly two hours late. A Miss Hegee, from Columbia College, came to see Miss Ward, who is a friend. When Phil's ford came we got Ruth, Maudie, my niece, and went to Olivia's to tea. Ray was there - much improved over two yrs. ago. Then we four & Olivia went to see the Lions at the "Is-dack" water me. Got Olivia's "date" Walter Chappel & went to the "Pirates' Den" to eat & dance. Flirted with Phil merely for entertainment.

NOVEMBER, 1921.

Monday 21

Letter from Mai, Mary & my dear  
Hugh. - as usual, I felt Hugh's  
was coming. I went driving  
& shopping with Miss Ward  
& afterward fixed some pillows  
to hemstitch. In the after-  
noon I met Olivia & we went  
in the train to Bay side, N. J.  
& saw my darling Vicky's  
new pups. She isn't as pretty  
but just as dear & it nearly  
broke my heart to leave her  
there, standing in the gate  
with two little puppies. God! I  
wish I could have her again.  
Olivia & I did a lot of talking,  
then I left her to meet Arthur.  
Dad is in his hotel & with Beau  
we all had dinner & then saw  
"Tangerine" very good runs. comes  
with Phil Anderson.

saw Norman White (Bda)  
at the hotel club.

Tuesday 22

Put my trunk in order & set  
out for the day - met Mother  
& waited all over N. Y. shopping.  
met Dan at Waldorf & we  
had lunch together at a Harmon

dear old Dan Bube again.

Figueroa in "Peter Robinson" - a  
very good but not novel. we  
left our trunks off - Phil  
met us in the hotel, took tea  
& train. We & made around,  
picking up Hugh's darling loss &  
Past Reed, friends of Phil's.  
Mother & Dad came to the hotel  
to dinner - talked & then up to  
much argument Phil & I  
were allowed to go to dance  
at the Maurice & Beau, came  
in later. Phil & I don't love him.

NOVEMBER, 1921.

Wednesday 23

After breakfast I fired my bag, said good-bye to the judge, and soon had my good-bye to dear Miss Warr & step into my taxi - called taxi driver. Picked up Max & Pa at their hotel and went all the way to the foot of Wall St. where our boat was in dock. Discovered she will be four hours late in starting so we three visited the Aquarium & Trinity Church before meeting Beau for luncheon. Tallet to him for a while got settled in our stateroom & finally pulled out. A very attractive people. Read streamer letters from Nell & Pete.

Tallet a wee bit to Capt O.  
NOVEMBER, 1921. 1 day.

Thursday 24

Not such a bad night-long considering the dark & wet roof to us. Sat on deck & read a few more letters - Lucile, Aunt & Sam May. Then I started "The Cruise of the Rains" a ridiculous book which Beau gave me. After lunch - couldn't resist reading all the letters - Fred, May, Mike & Hugh. They were all so sad. Then I played quarts with the people at the table - & with whom I played dominoes last night. Two men & a woman rather common, but good hearted. Read on deck & after lunch giving dinner read in the lobby & watched various "marines".

NOVEMBER, 1921.

Friday 25

The old Dipala is rolling right along - my stomach, I walked the decks, finished my book & they actually got out my heels itching and finished that! After lunch I wrote to Phil, Mary R. and Miss Ward. Also took a little nap and dreamt that Hug & I was sailing the ocean blue with me. After dinner Mrs. Meyenberg, who sits at our table, introduced me to a little Spaniard who wrote a letter in Spanish to Hug for me! While he was writing he stopped & had me dance on deck with him to a guitar! Lots of Spanish aboard.

NOVEMBER, 1921.

Saturday 26

Arrived in Nasoan at six - beautiful view as we approached. Talked to English man coming over in tender. She had been sick before. Nasoan is very quiet & the town more beautiful than Bermuda. We went to a hotel & then drove around, trying to find a boarding house. Came back to the awful hotel & I slept for several hours during which time Dad discovered a house for rent. After lunch Mother & I walked thru colonized hotel grounds, etc. & met Mrs. Vail, who took us under her wing. Later we went to Rose Hill Cottage & decided to take it. Mr. & Mrs. Miller, the landlords, are very nice - English. Supper at a "candy kitchen" & to bed early in our new house - rather discouraged.

NOVEMBER, 1921.

Advent  
Sunday 27

Things look more cheerful  
in the morning sunlight.  
We packed our trunks & got  
settled that way - but the  
rest of the house - ugh!  
Went to Mrs. Rosker's board-  
ing house to dinner - it is  
very nice. In the after-  
noon we sat on our  
lovely porch and looked  
at the lovely old grounds  
and decided what we  
can do to get settled.  
If we could only find a  
cook! Ma & I took a walk  
thru colored town to the water  
wonderful sunset. Went  
to Mrs. Rosker's to supper  
& after ward sat in the ter-  
race & later wrote to Bea &  
Emile & Howard.

NOVEMBER, 1921.

Monday 28

Slept with a mosquito net  
over me - the pesky things.  
Spent the whole day  
doing little things about  
the house - helped Mrs.  
Miller put up curtains etc.  
We are beginning to  
look civilized. Millions of  
maids came to apply for  
jobs but it is hard to  
pick out the right ones.  
Went to carry letters for a  
cheap lunch & to Mrs. Rosker  
for a expensive dinner.  
It rained quite hard  
during afternoon. Mrs.  
Field today came on our  
boat, called - she is very  
nice. In the evening I  
went to see at home early.

forgot to say that Mrs. & Mrs. Shepherd  
and Mrs. Hawes - neighbors - called.  
NOVEMBER, 1921.

Tuesday 29

Rushed down to the  
dock to meet Mrs. Field  
& go in arriving seeing that  
it was too rough and  
I went shopping with  
her instead. In the after-  
noon the cook & house-  
maid arrived, so after a  
last meal at the dock  
little candy kitchen I  
took Lauretta (cook) down  
town & we bought  
supplies. Marketing is  
more interesting here  
than Bda. We had our  
first meal at home -  
I have to teach Frances  
(housemaid) to wait on  
table - I have my hands  
full. Wrote to Flayed maids.

St. Andrew's. Wednesday 30

This time I met Mrs. Field  
& we went over to the  
beach in a little motor  
boat. Mrs. Chapman & some  
Canadian girls went with  
us. Ocean was great -  
just like old Nova Beach.  
In the afternoon Ma  
& I went down town  
& did a few errands.  
Then I came home &  
rested as I am getting  
acclimated. By & by  
I was sufficiently peppy  
to take a walk with  
mother. My maids seem  
to be getting along but it  
is kind of a nerve-strain.  
After supper I wrote to Nan  
Olivia & the apples. Played a.

Wrote to Charlotte.

Thursday 1

got up with the awful  
tired feeling of acclimation.  
Felt better after a cup of  
tea - attended to my  
household duties and sat  
by the porch sewing. In  
the afternoon I decided  
to let Ma do the house-  
keeping - conditions are  
a little beyond me here.  
Went with Dad to buy him  
a decent hat in place of one  
he bought the other day!  
Dressed & went to Mrs. Mrs.  
Shepherd's (called on her) to tea.  
and there met the Misses Hare  
& Mr. Porteous & young Miss Conant  
Pickford, besides lots of other people.  
Had nice time. After supper Ma, Pa  
& I went to spring of no girls  
rather primitive - Gov. to there

Friday 2

Went down to the docks to  
meet Mrs. Field to go  
swimming but the boat  
was missing, so we  
wandered to the men's  
club & saw Mrs. Farrington  
there who finally found  
our boat & we had a  
marvelous bath. In the  
afternoon I wrote a long  
letter to Hugh, until little  
Miss Hare - & Julia - came  
to see me. We talked &  
talked - she is very nice  
much nicer than her sister  
who is jealous of me, I guess!  
We had tea - which Ma  
served very nicely. After  
supper I wrote to  
Hugh, Miles and Lou. which was  
answered first.

Saturday 3

Dad + I went to the beach with Mrs. Field + my two housemates. We had a splendid talk in that wonderful ocean. In the afternoon I had "local color" by Irving Cobb and later went down town with Mother, glassing for possibilities for Christmas presents! On the way home we signed in the good house visitors book + turned the right on in the hall of Y. H. by mistake!! Got away safely however! After supper I played my mandolin. Mother wrote to Fuddie + Peter.

DECEMBER, 1921.

2nd in Advent. Sunday 4

Dressed in my coal clothes + went to the service at the Cathedral. Sermon: Bible is the history of the Seed of Woman. In the afternoon I took a little nap - always napping + eating in this place. and later Cambridge, the black driver who first showed us this house, came to take us to my nice home out east. Dad made me sit in front and do the talking! Dad is always crabby lately. Mother + I fixed the exp. pers. rate. I had to amuse myself by drawing a picture of it.

DECEMBER, 1921.

Monday 5

Mother and I went down town to buy shoes for me. couldn't - & to buy shoes presents - nearly couldn't. It began to rain and we had to stay in Mr. Solomon's cigar store where we bought most of our presents. In the afternoon I sewed and went down town again with mother - bought a card & went to the library. Then I went to tea at Sheila Harris. Lot of old people there. & Sheila & her sister & I walked out west. Wrote to Edie & to Miss Handy after supper. Mrs. Field Miss Chapman & Miss Calverton called. Nice.

DECEMBER, 1921.

Tuesday 6

It's rather cold today - none of us went down morning, so I shan't pass my hair. At lunch Dad got his hat. I almost had to leave the room. He is always in a bad humor lately. After lunch I went over to the fold - where Mrs. Field lives - to see about a ticket for tonight. Had a cigarette over there. Then mother and I took a walk. Later I dressed and went to the fold to dine - nice & more cigarette. After dinner we four went to see the first talent show. Very show & wax works - rather interesting. Eleven Here danced.

(last two words - Shelagh's brother.)  
DECEMBER, 1921.

Wednesday 7

Went over to the beach  
with the "flock" from the  
fold. Dad did not go. It  
was a marvelous day,  
water like diamonds!  
Half way home I remembered  
something left in the bath-  
house!!! We had to go back.

In the afternoon I  
had "Six Feet Four" by Jack-  
son Gregory until time to  
dress to go to Government  
house tea with Shelagh  
Mae & her father. Met the  
gov. & his lady. John O'Brien  
was there and played  
around with us. Afterward  
we walked to his house &  
he made us stay & have  
dinner with him & his father. Nice  
at in evening - met Shelagh's

Thursday 8

Walter & I again went  
into the region of "large  
snaps" and searched our  
heads & feet off for some  
thing to give for Mom. At  
last we were successful.  
In the afternoon, Shelagh  
was coming to tea &  
slept up! I sat alone  
and embroidered Beanie's  
initials in stockings.  
Later Walter & I went over  
to the fold to see the  
flock; they had lots of  
other young ones too. All  
were dying - except me!  
After supper I read about  
my big man - Six Feet Four.  
Got a letter today from Mom.  
Write? Rather a surprise.

Friday 9

Absolutely sleepless night -  
but not mosquito-beset!  
got the nurse so I sat  
around addressing  
my cards. In the  
afternoon I played  
for a while & generally  
filled in the time  
before Kallie came  
to tea. Later Mrs.  
Field came in and so  
did Miss Sabine &  
Miss Valentine came  
to call! quite a  
reception. After  
supper I wrote to  
Henry, Heloise, Bebe,  
Henrietta and Susan.  
got a letter from Emily R.  
saying: child birth is not bad.

invitation to go to the... ..

Saturday 10

Very before I got up  
and very energetic  
afterward - tied up  
my presents and  
drew a little tropical  
sunset scene for a  
picture frame for Charles.  
In the afternoon I  
played on my mandolin  
a rain storm until  
time to go to Kallie's  
Hank to tea. Ellen was  
there, so was Mrs.  
quite nice. Kallie &  
I sang at some plants  
on the way and I ate  
them on the table. I  
congratulated a woman for  
much and after supper I  
did up more presents.

shopping - came home  
alone, had a cig. and tied  
up the parcels. After  
lunch Dad & I went  
to the P. O. to send off  
the packages; on the  
way home I met John  
Porteous and took a  
ride with him - he let  
me run his car. He came  
in after work and had a  
cigarette & we talked  
to each. After he left I  
got shalagh, with a cold  
to come to tea. After  
supper Dad, Ma & I talked  
first on Mrs. Langley  
then the shepherds. Nice

Mrs. Bullock called.

DECEMBER, 1921.

Tuesday 13

Started upon town to do some shopping - stopped at Sheilagh's & found her in bed. Later I met Miss Valentine & Miss Thorne, who took us with them out to the beach to go swimming. It was really but not so nice as the cold beach. In the afternoon feeling better I went over to the fold for a 'cig' then got some yarn to knit Dad's socks. Got paint on my dress & had to go down a third time for varnish. Miss Chapman took it out for me. Then spent the rest of the time knitting.

Wednesday 14

Hurried down to the dock to go over to Hog Island with the "Flock" & the "treacher" & Dad to go in bathing. The water was, as usual. Dad must have heard Miss B. offer me a cig. but he has said nothing! In the afternoon I wrote to Nell & Aunt Lulu & then dressed to go to Sheilagh's to tea. Poor dear is still in bed. We had five challenges. Her vice brother Pat brought me home. After supper Dad & I went in the y. boxes and a light. Later Mr. W. and Mr. called. Finished sewing my knitting & mended the King's bag.

DECEMBER, 1921.

Thursday 15

Went to see Shelagh and  
get Molly Brown to go  
over to the beach with  
me. Over there Mrs. Field ex-  
ploded her glasses in the  
bath house! In the after-  
noon I was sleeping on  
the couch when Fred Porter  
"Dimples" dropped in! He  
took me about 100 ft. to  
his new house & for a  
ride. Got me home in  
time to dress for a party  
at the Colonial to  
which I went with Fred  
Ambrosio & met Nassovian.  
We took a walk too. After supper  
I went over to see poor Shelagh &  
Dimples came & we too took a  
walk along water & he tried to kiss me.

DECEMBER, 1921.

Friday 16

Bad night - remembered Dimples  
was sick. Left in his car,  
also ~~could not~~ get rounder for  
vision of moonlight on water  
which he sat by out of my  
mind. Morning - too windy  
to go swimming. Went  
down town & did a lot  
of shopping. In the  
afternoon I went over to  
the old for a cig. - not at  
home. Bah! Dead until  
time to call on Mrs. Dalton  
left room with mother &  
the Herbs - Shelagh took  
to be seen - I was calling.  
Ma & I took a walk after  
supper. Miss Baldwin called  
& talked of experiences in France.  
Very interesting - but I have to go.

in the Ford truck - wonderful moon  
light and east - but we had a puncture!  
Fred a motorist & party brought in his car.

DECEMBER, 1921.

Saturday 17

Too windy and sun too  
grumpy for a swim.  
Knitted and watched  
designs for tortoise shell  
carvings. In the after-  
noon I went down  
town with mother -  
for nothing as far as  
Dad is concerned. When  
we got back we had  
tea and by ourselves.  
Then I started a date  
in pastel of the view  
from our porch. Miss  
Duncombe called later.  
Francis & I went out in  
train for Volvo. After  
supper Dad & I had a M.  
Jazz harp concert! Later Mat  
I went out with the "Halo".

4th in Advent.  
Peace Sunday.

Sunday 18

Went to enquire for Shelagh  
and Dimples opened the door  
so he went with us all  
over to the beach & had  
a great swim - he looks very  
well in a bathing suit. Mr.  
Armstrong & Mr. Farthing were  
there too - the latter & I  
had lots of fun under water!  
On the way home the whole  
hunch - time - I left here for  
cocktails. After dinner Dimp  
he came - we sat here & talked  
& later walked to the old fort  
& climbed up to see the sun  
set. Climbed down in dark -  
some climb! Met Pickford  
on our way home. After  
supper I read "Fringe on  
the Desert" by R.S. Macnamara.

DECEMBER, 1921.

Monday 19

Went to see the baby - she looks much better - went to library - saw dimples, and I suppose, his mother. Then I went over to the beach. Water wonderful hot. Lacked the energetic corn pan. In the afternoon I went down town and for hours did my best to patch silk, ribbon & to make a bag for Ma. Finally I took the materials to the fold and got to work. They all went out but I had tea all alone - & cigarettes! After supper they all came over to see us for a little while.

Mail! - M. L. R. - Man - Fannie  
Granger's wedding!  
DECEMBER, 1921.

Tuesday 20

By the time I finished my usual exercises this morning it was quite late, but I got to work & finished one of Dad's socks. In the afternoon I went over to the fold again and worked hard on my bag for mother. It is getting rather attractive. Mrs. Chapman was having a card party but I stayed home. After supper John Portno came in to see me and he & Mother & I played rum and had really a very nice time. He is an awfully nice boy.

DECEMBER, 1921.

Wednesday 21

Kept every one waiting  
for me at the boat, to  
go over to the beach.  
Mrs. Bullock went  
with us today - she is a  
dear - so "full of beans".  
In the afternoon I went  
over to the fold & worked  
hard on the bag until  
time to go to Chelag's.  
She was sitting  
up - great to have her  
so much better. Mother  
walked home with me.  
More mail - darling letter  
from Hugh, but full of  
& parish. After supper  
I had went to club & I  
read & suggested to me  
to smoke a cigar - <sup>but also suggested</sup> <sup>it</sup>

Thursday 22

Went over to the fold  
quite early & began work  
it is too windy today  
to swim. Later I went  
down town & visited at  
Dad's club to get some  
money from him & left  
at Chelag's twice on  
bunches. In the after-  
noon I worked at  
the fold till I went to  
Chelag's for tea. We tried  
to translate English & Spanish  
letter. "Dimples" came in &  
took me home. In the  
evening I went over to  
the fold again - Oh I  
forgot to say that they  
all had been out with  
us - a rather stiff one, I think.

Friday 23

Went over to the beach-  
Jack Culmer went - young &  
a "conk" (half black) in the  
afternoon. I finished Heather's  
bag at the fold - met Jimmie  
answering my note to him  
this morning in person - he  
invited for tomorrow night -  
and then, Mr. Fanning too, also  
"conk" but very nice, attractive  
told me not sailing. We  
lost a centerboard, broke a tiller,  
etc but all in all had a  
delightful time - chocolate  
too! He gave me a splendid  
lesson in sailing too. And  
twice he dove overboard to  
fix something!! Home at six  
after supper I went to Shilap's  
+ had a delightful evening.

Saturday 24

We decided to give up cigarettes.  
Went over to the beach.  
Mrs. Chapman & I walked  
around the point to where the  
ocean dashes up. In the  
afternoon I was dyeing a dress  
when Jimmie appeared. He  
helped me & then we went  
for a ride. He gave us some  
mint tarts. Later we went to  
Shilap's to tea and he cut  
up "delightfully" - full of spirit  
as the English say. Mr. Vlasto  
came in to see & as I left  
& helped Ma trim a banana  
tree. When I dressed & we waited  
for Jimmie to go to Mrs. Stre-  
lesquo's to supper - lots there.  
He danced & sat on the porch  
& flirted & called on Shilap's <sup>watched</sup> the dancers.

Tuesday 27

Mother & I went down town  
- after I stop in at Shlag's.  
We bought material &  
dyes to make me a fancy  
dress. In the afternoon  
I got to work and dyed  
all the colors of the rain-  
bow. When I had prac-  
tically dyed - I mean, died,  
myself I went over to  
Shlag's for tea. I am over  
+ Shlag's and I had a  
nice little gossip. Molly &  
Lillian were there off & on.  
Later I got another Christmas  
present, from Mrs. Hartman.  
After supper Mr. & Mrs. Ray  
here called & Pickford &  
Mrs. Rae came to see me. We  
chatted on porch & had a drink  
later with others.

Wednesday 28

Had to go down town & buy  
some more dyes & dye  
again - this darned time.  
Got lots & lots of Christmas cards  
& a few presents. In the  
afternoon I served, until  
time to take a cab and  
go to tea at Miss Val-  
entine's & Miss Lorraine's.  
Just myself and it  
was very nice - to  
make up for my lack  
of enthusiasm before.  
Walked home after  
supper. Dad went out to  
Lady Williams & Ayco - a  
"wild woman" and later  
Dimples came in to  
entertain that one! &  
he is very entertaining.

Thursday 29

Went over to the black-the  
colonial water is narrow  
it was a girl's orange  
on sticks to the father-  
delicious. Later as Ma & Pa  
are going out I got  
unable to come out  
for the first time and  
have lunch with  
me. Lots of fun - smoked  
- enjoyed, very happy  
freedom! She stayed  
to tea, no + we got  
+ selves. Mother is  
not feeling well after  
walking home with a  
put her to bed. I washed  
my hair this afternoon, so  
it is rather wet when she  
came. We talked "etc" on porch.

DECEMBER, 1921.

Friday 30

Rotten night - I think I  
have the dengue fever  
just like Ma. But as she  
is sick, I had to get up  
+ do the housekeeping -  
even the laundry  
down. When Dad left I took  
my temperature - 104°!!  
I lay on the couch in the  
fun & tried to feel better.  
When Dad came home  
he discovered it & sent  
me to bed - I do not  
want to go to bed & give  
in to disease. Dr. have  
come soon & gave me  
some awful medicine.  
Ache, ache in every  
part of me - oh, how  
sick I have to get sick!

DECEMBER, 1921.

Saturday 31

Don't care much if I live  
or die! Dad came home  
with lots of nice presents.  
Candy from dear old Hugh  
+ Peter - aren't they dear?  
Hankies from Tom, stock  
ings from old Blanche.  
But I was so sick  
I care much about  
them - except Hugh's, gave  
me a nice feeling. Dr.  
came again & no im-  
provement. Dimples  
brought me some lovely  
flowers. He is sweet.  
Every one is getting  
up so kindly - con-  
sidering how short a  
time we have been ill.  
all next page.

and tonight is the fancy  
dress ball at government  
house for which I've been  
slaving on my room!  
and here am I stretched  
out with the fever!!  
Damn, damn, damn.  
This is a nice way to  
watch the New Year  
enter - and these were  
the last two days I  
had to smooch and  
here - I can't even eat.  
Isn't life disgusting,  
at times? Well, this  
year has been a great  
one until this evening,  
and thank you, Diana,  
for keeping my secrets  
and good-bye, old dear.

NOTES FOR 1922.

Christmas Day - continued

big supper party - delicious! But I  
 had to sit with Sydney Farrington  
 and Lambister - and the latter  
 took me out in the hall for a  
 drag at his cig. and then he  
 kissed me - ugh! - a white  
 man! Now, where is your pride?  
 Well, I am white & white!  
 Later "Dimples" came in & kind  
 of upset things for me for the  
 matter - I was but he was  
 very kind and told me that the  
 "white" people have been talking  
 about my going about with  
colored - so I guess I'd better  
 stop, but I won't mind for  
 shame them - the sentimental  
 beasts and I do like Dimples  
 very much. Just my luck that  
 he isn't old enough to marry.
